

Contar y escribir

5

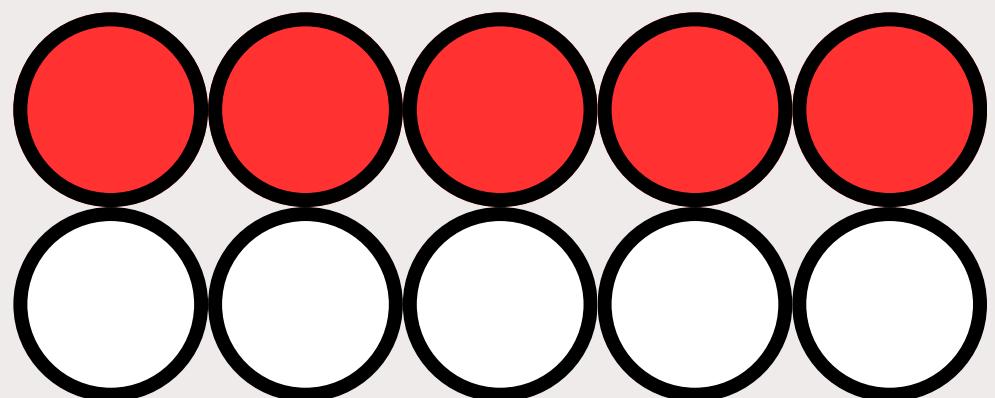

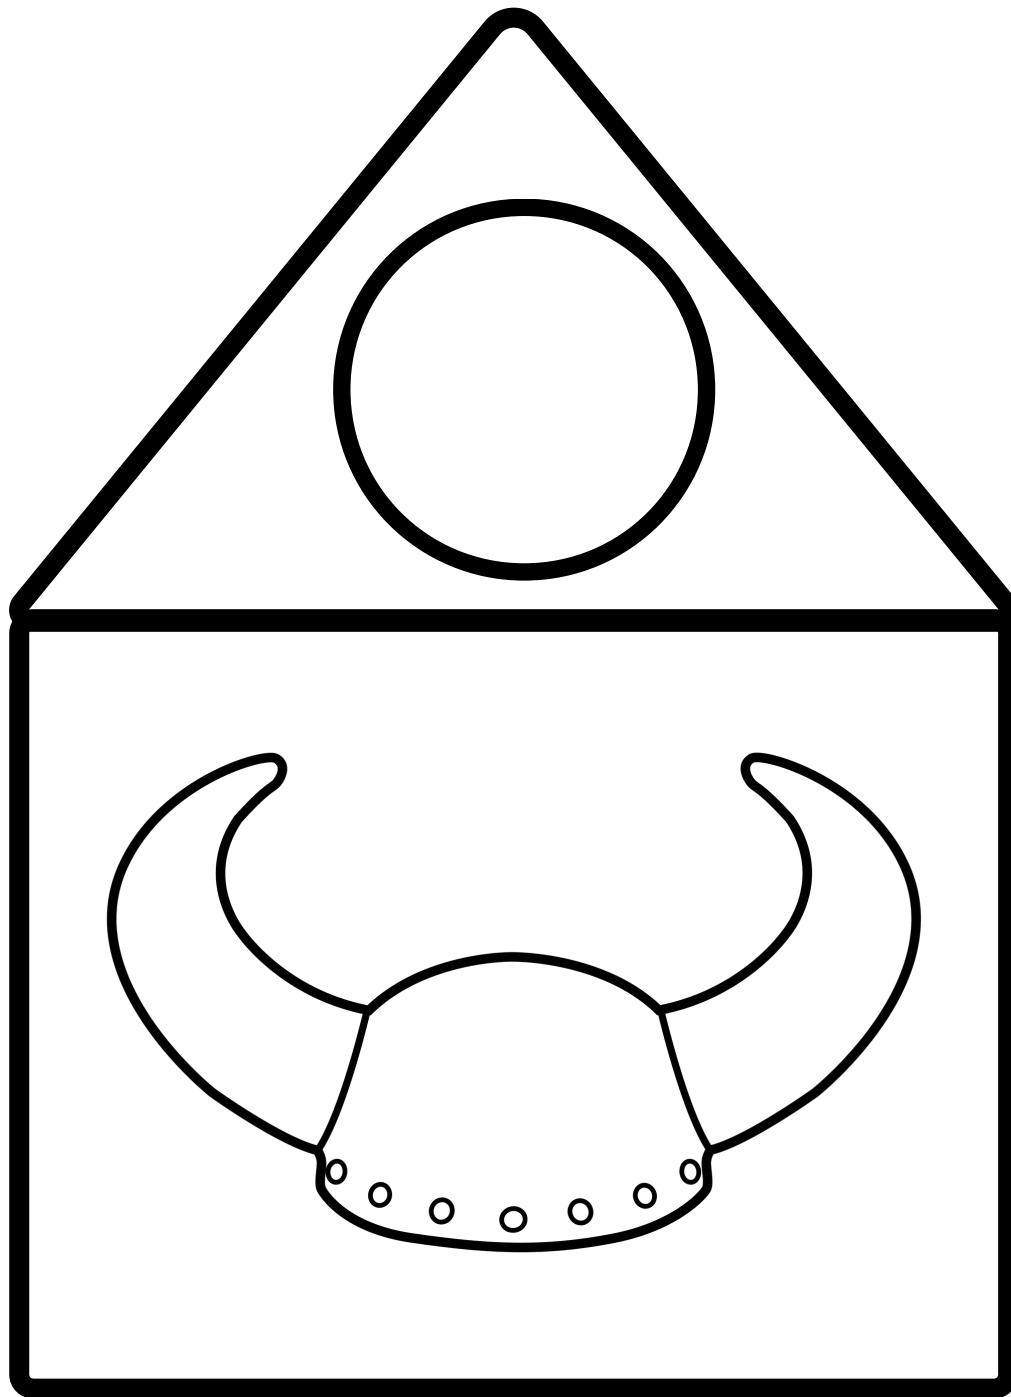

matemáTIClab

Ejemplo resuelto

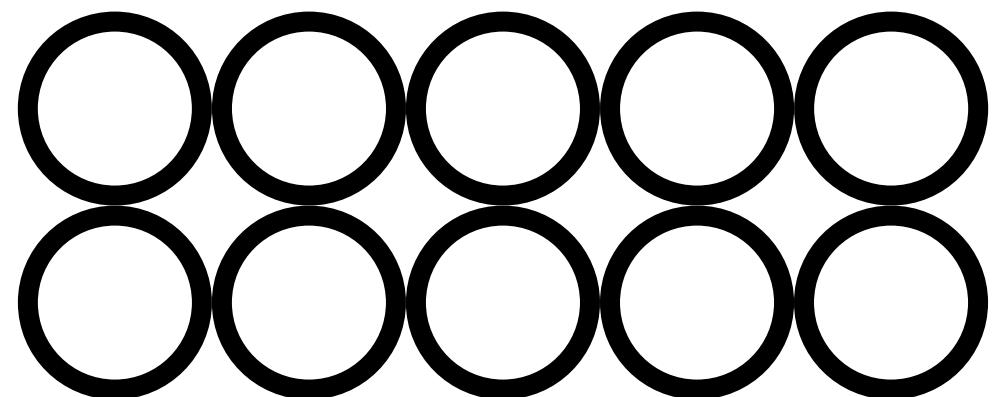

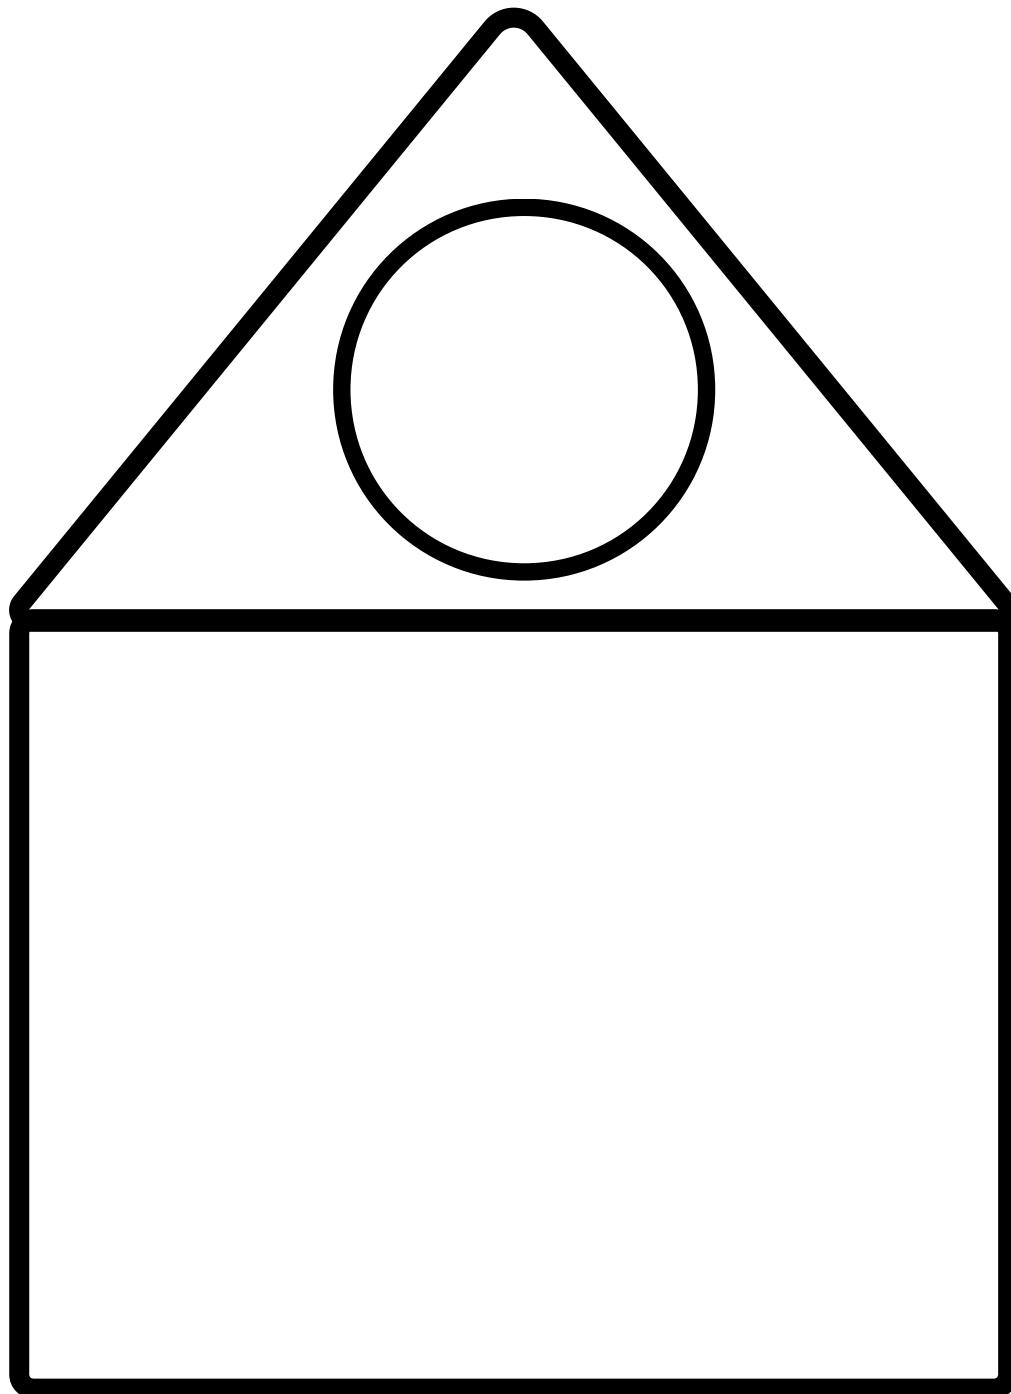

En la casa del vikingo
todos cuentan
hasta el número 5.

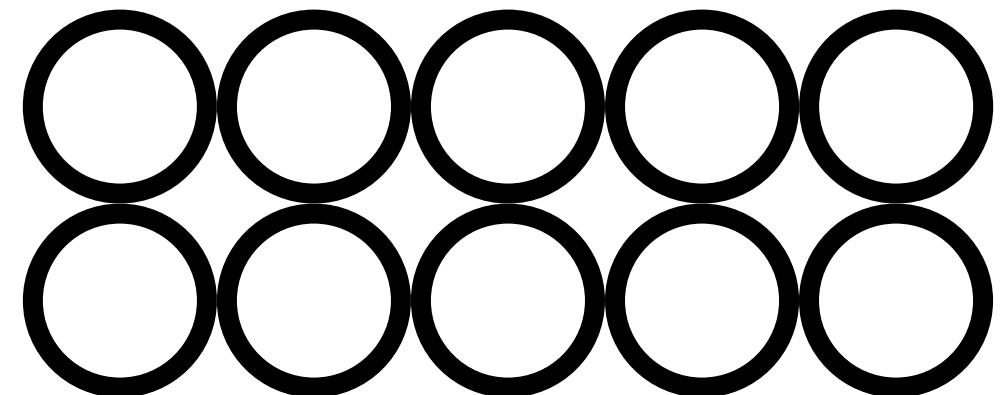

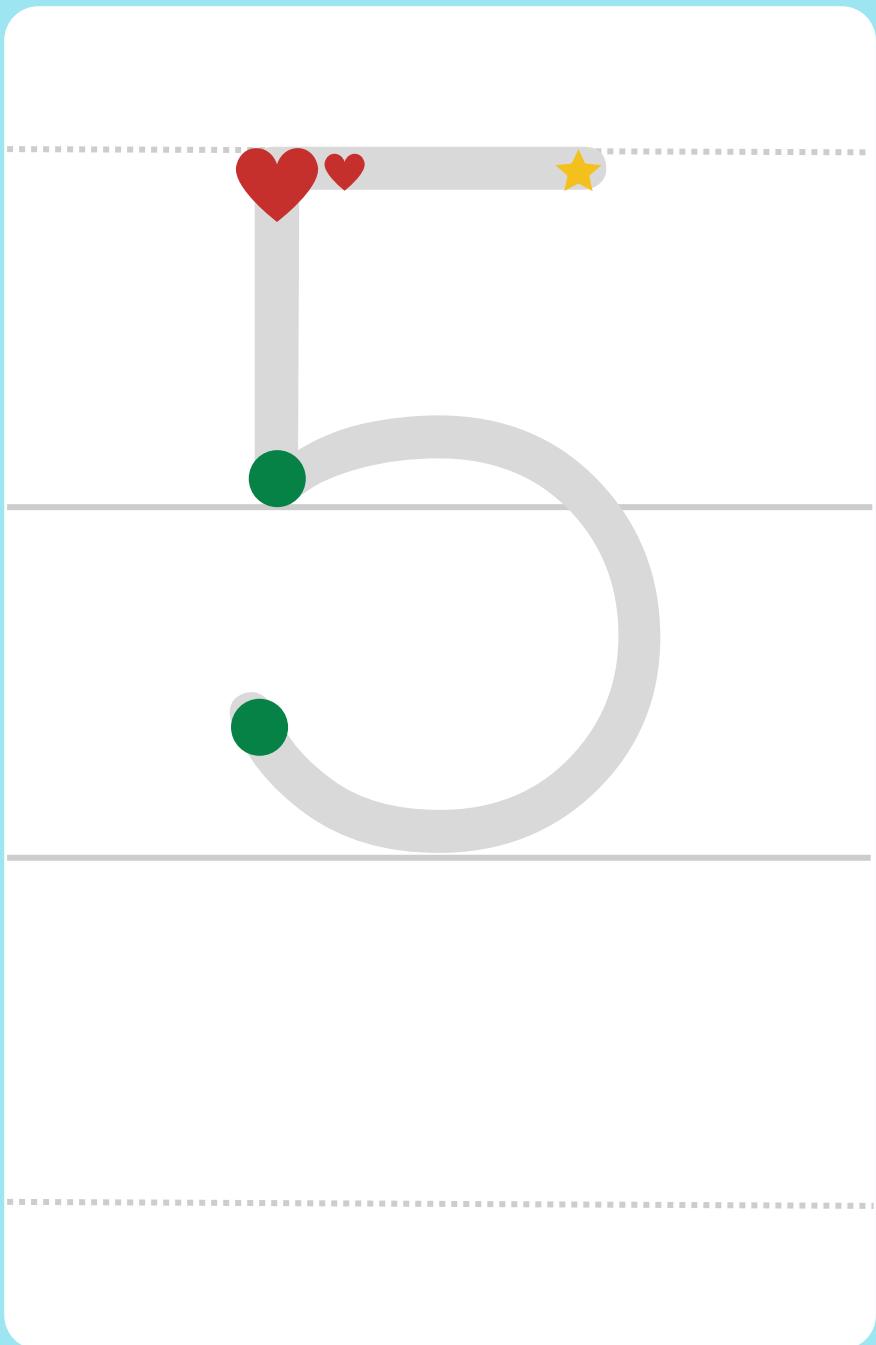

En la casa del vikingo
todos cuentan
hasta el número 5.

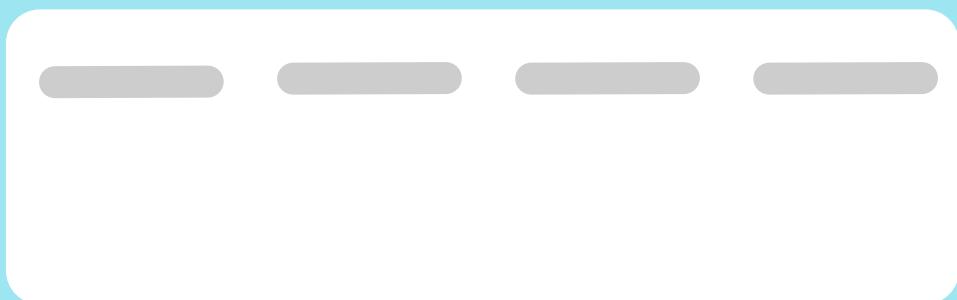

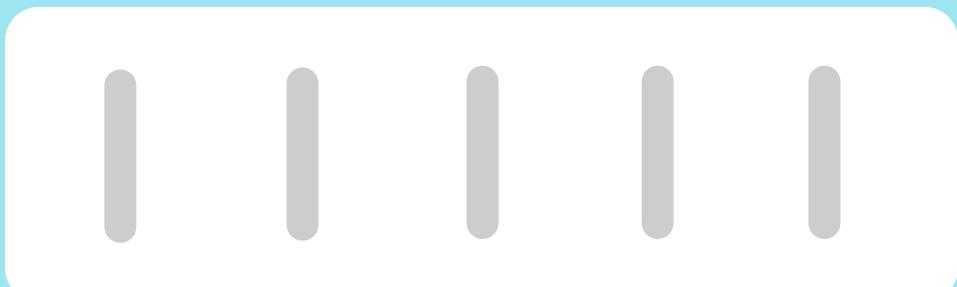

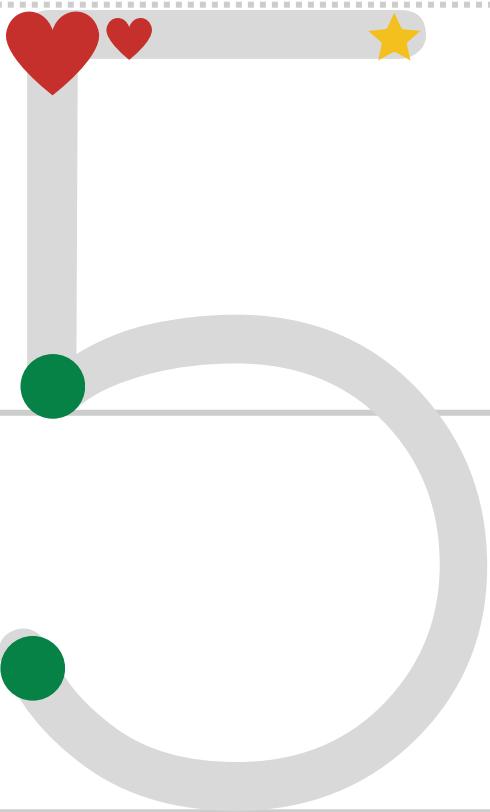

En la casa del vikingo
todos cuentan
hasta el número 5.

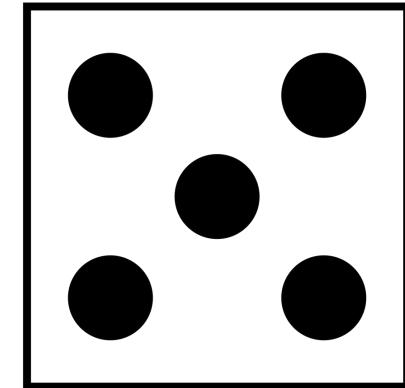

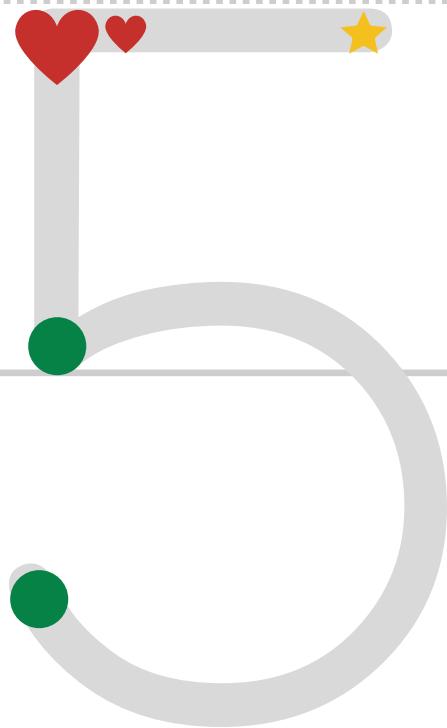

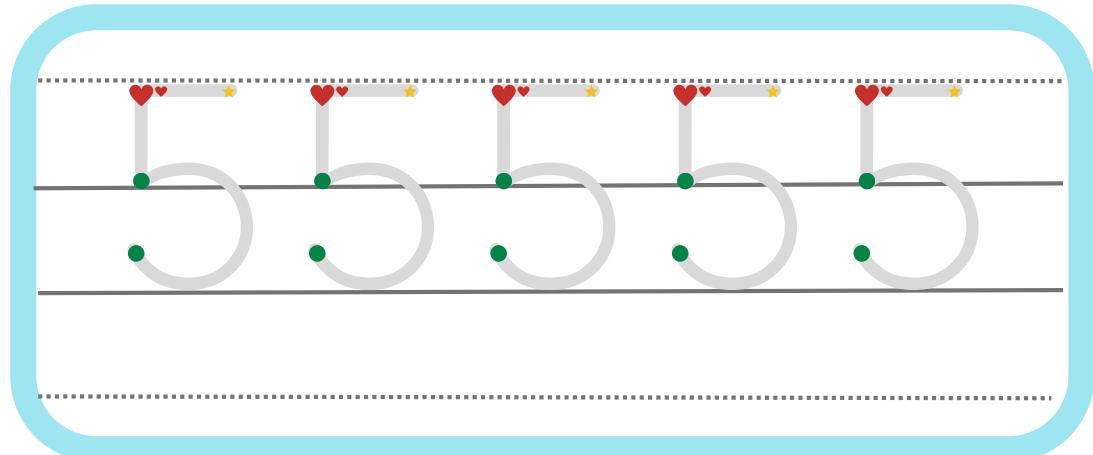

Un palo, barriga y flequillo.

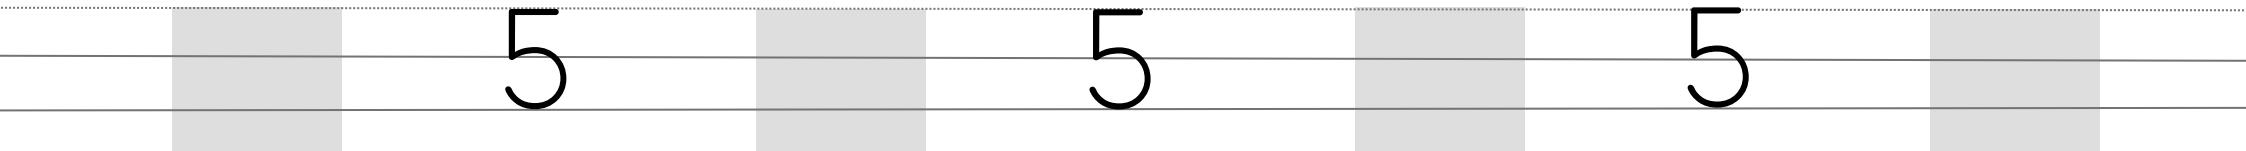

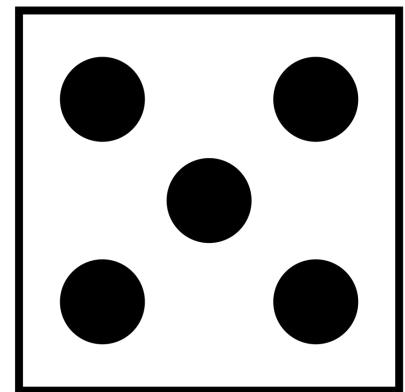

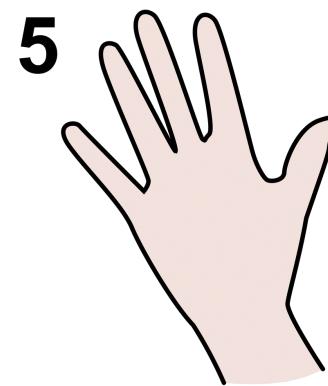

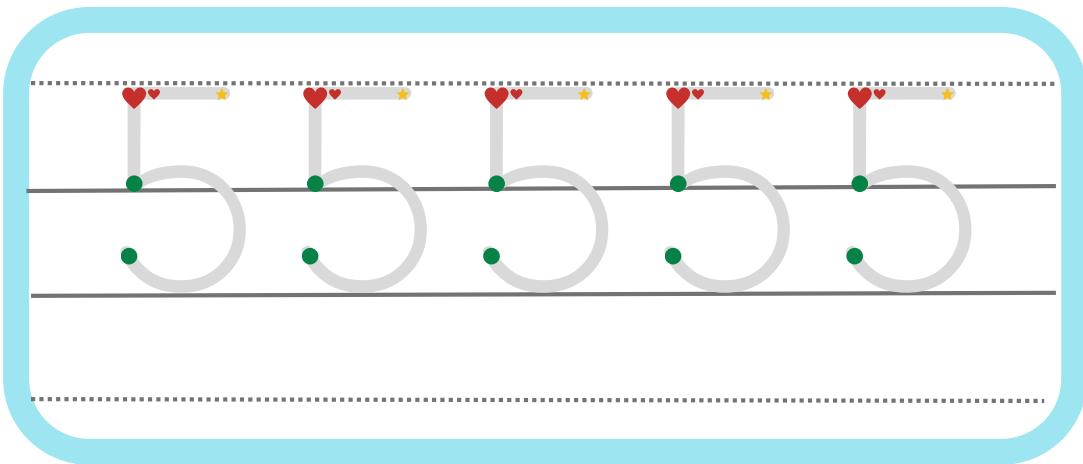

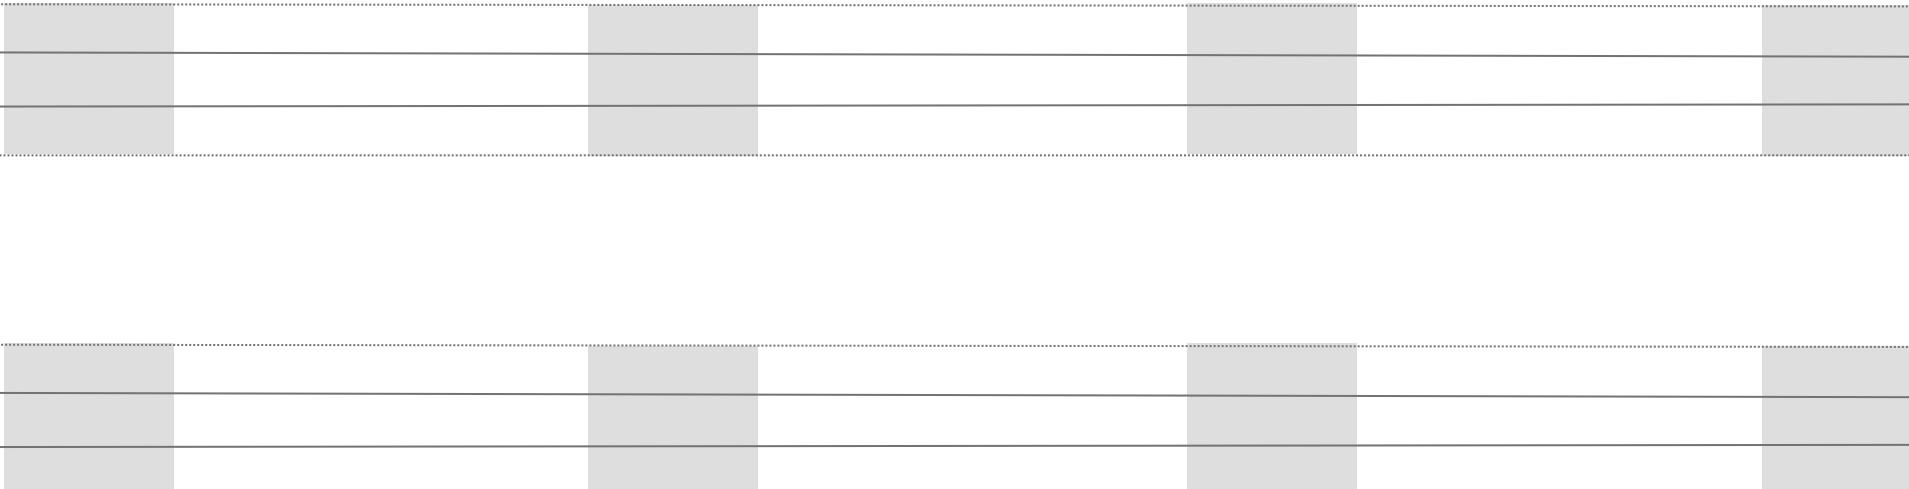

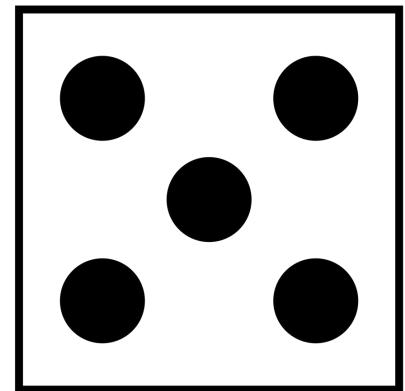

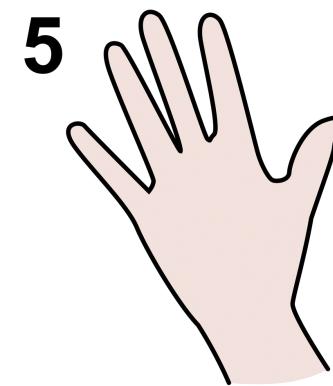

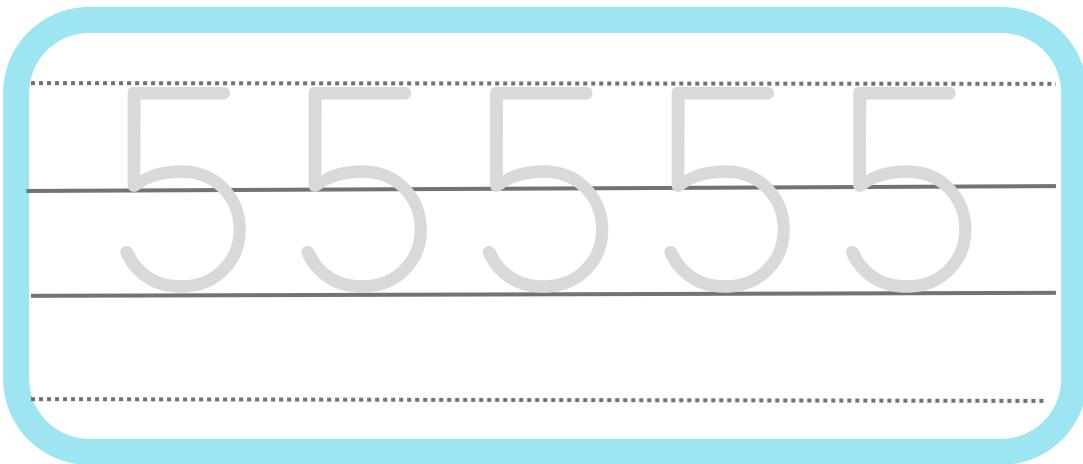

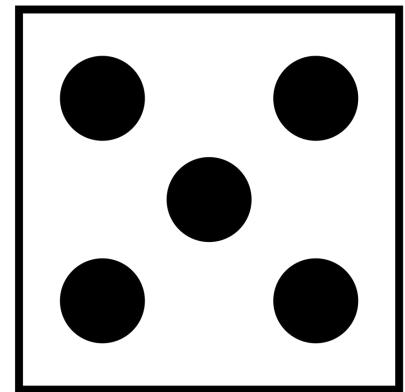

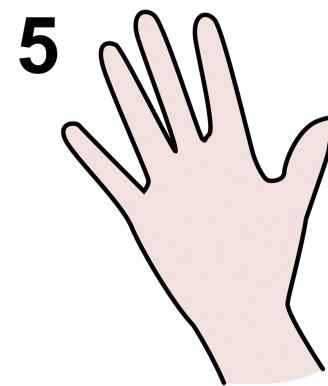

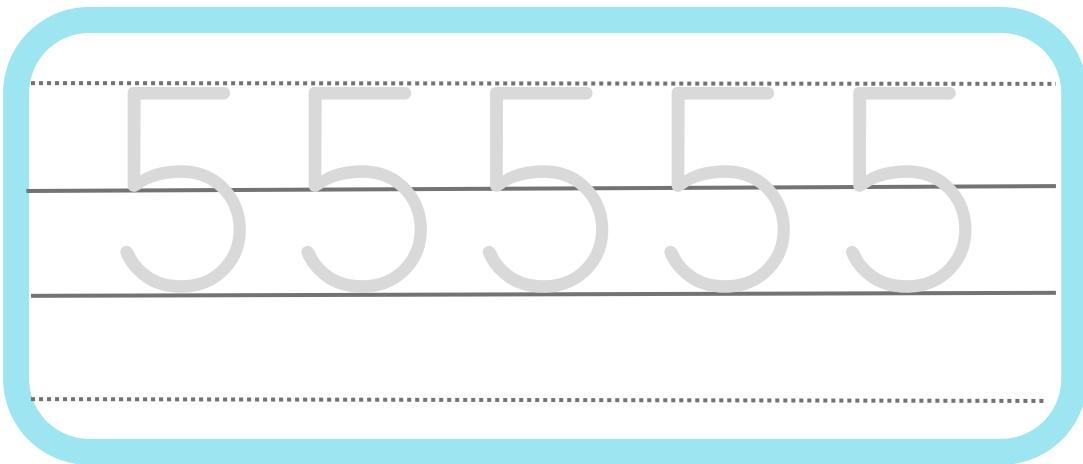

cinco

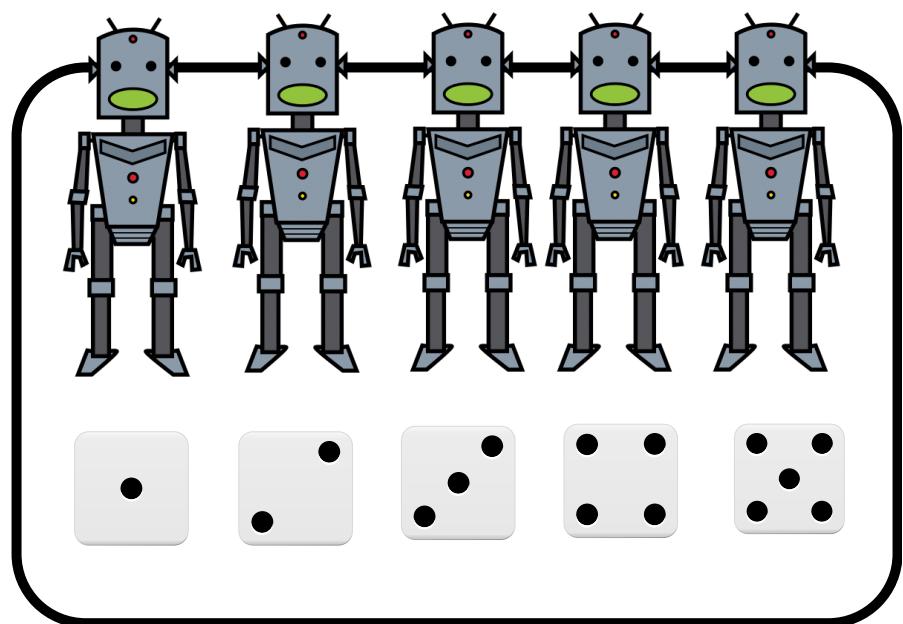

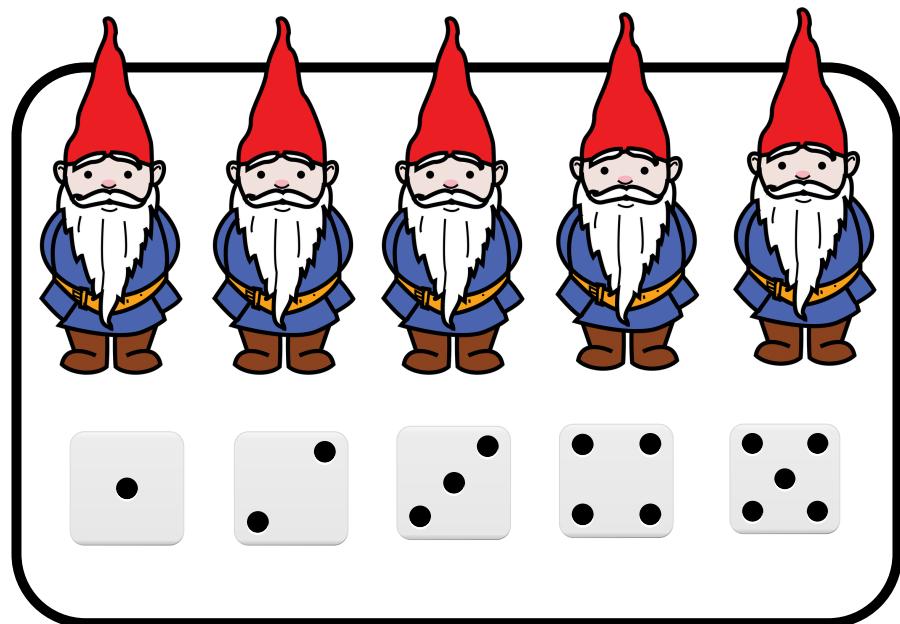

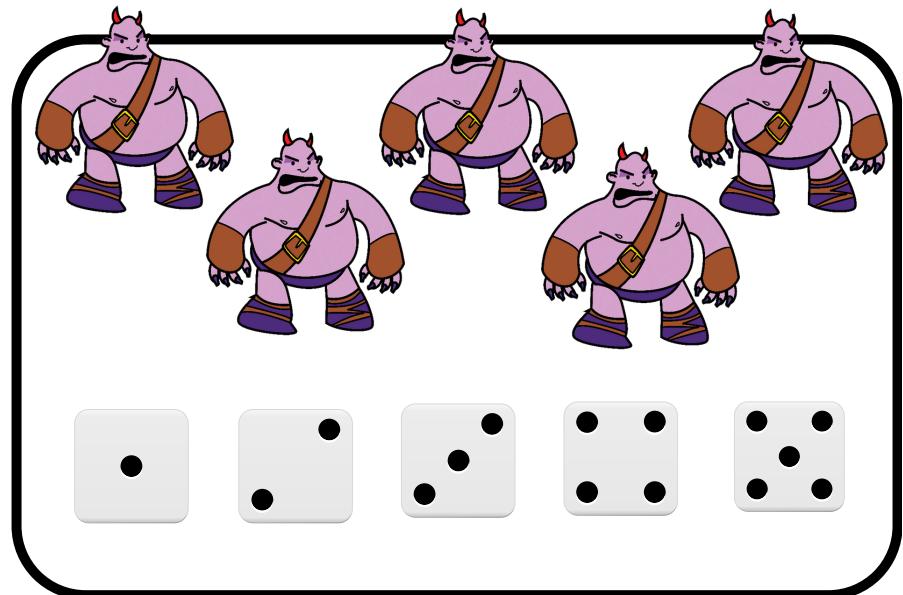

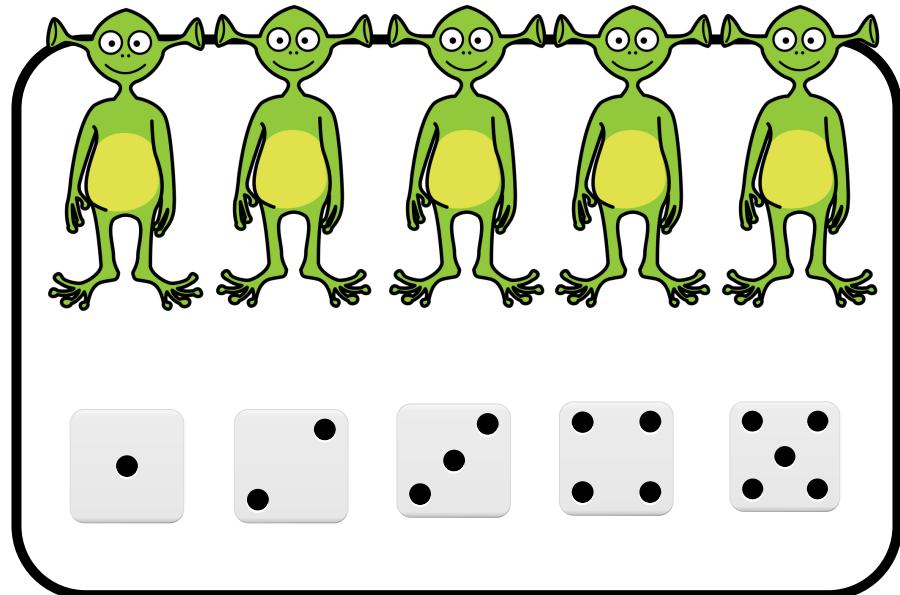

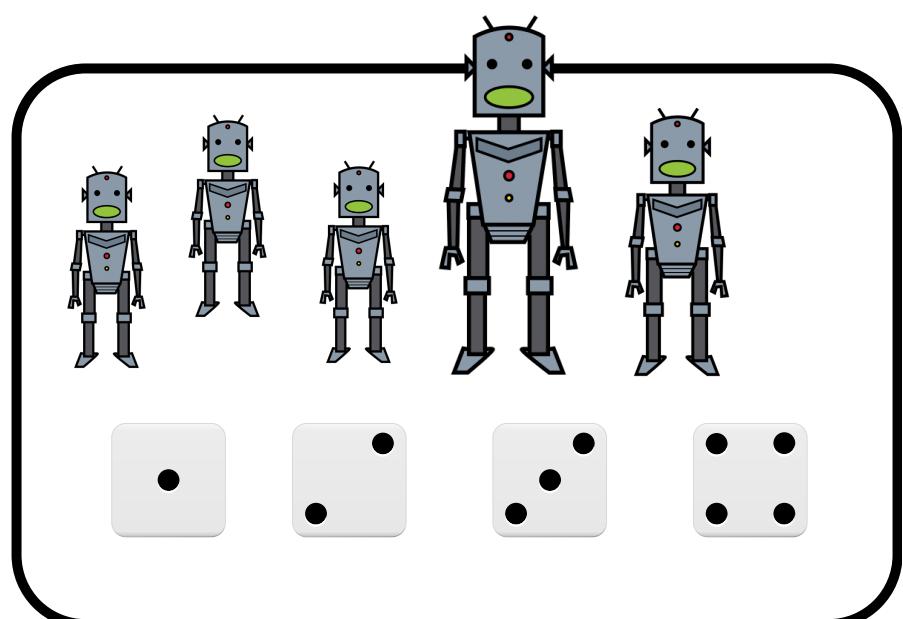

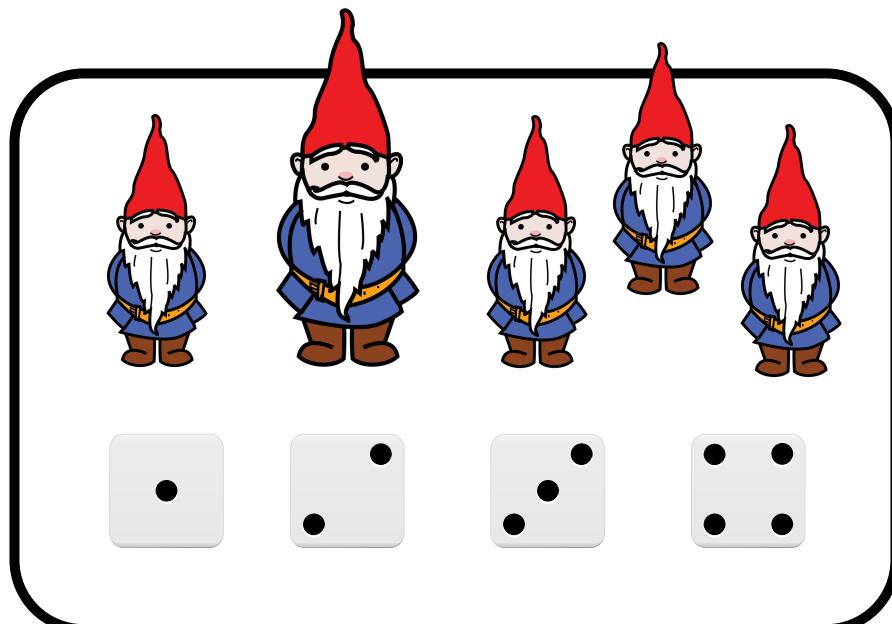

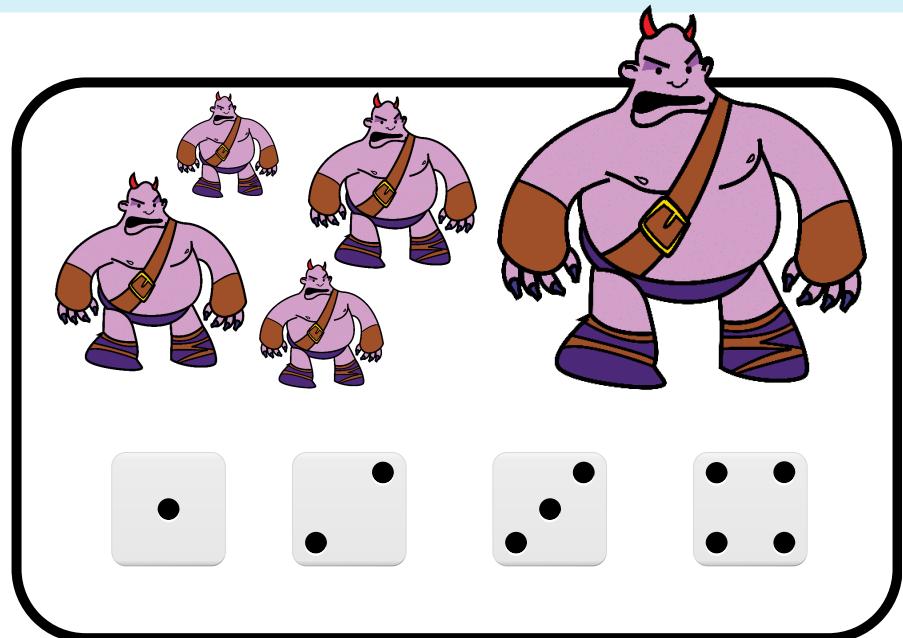

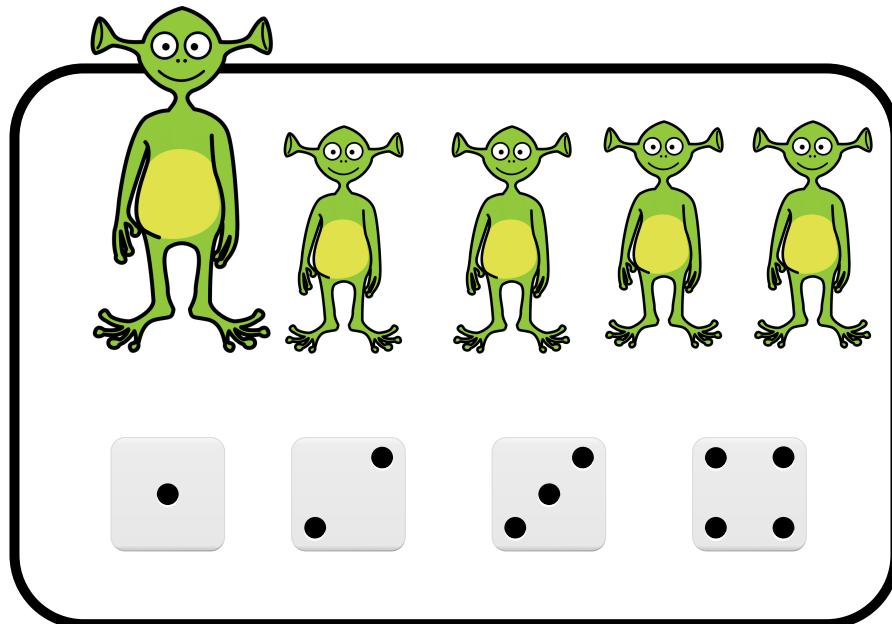

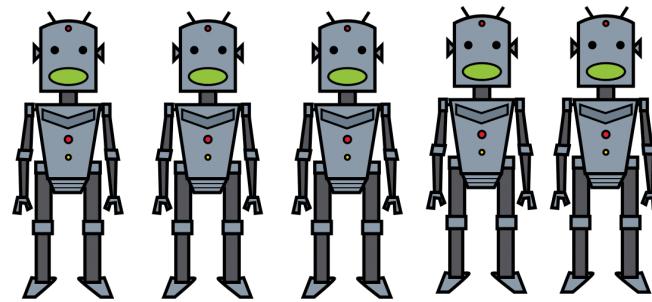

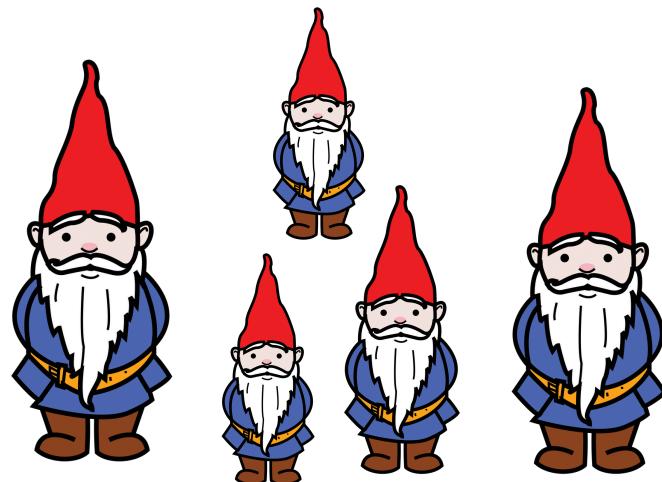

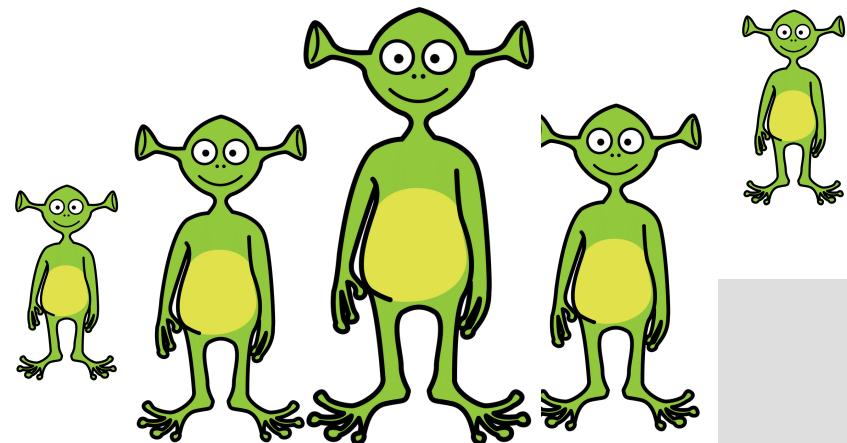

Cuenta cuántos hay y rodea el dado correcto.

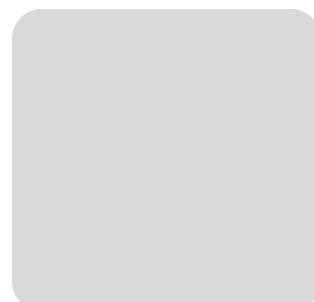

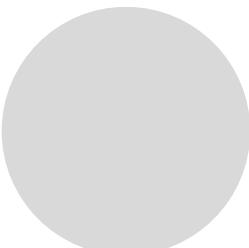

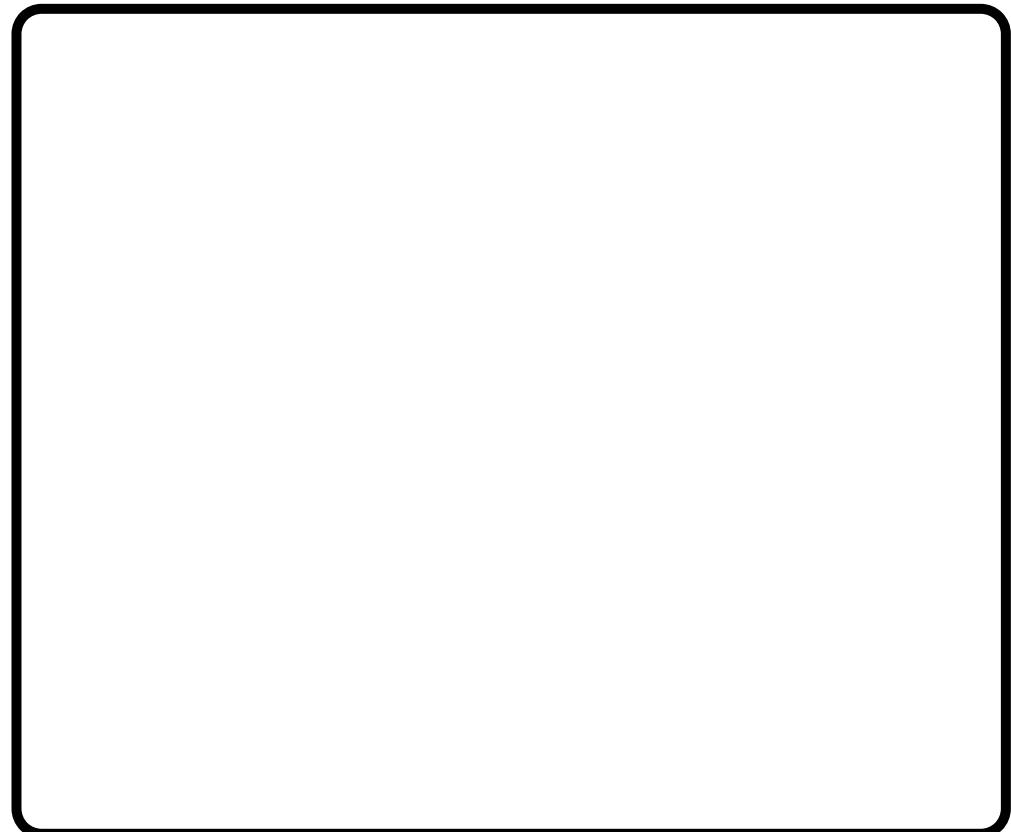

Cuenta cuántos hay y rodea el dado correcto.

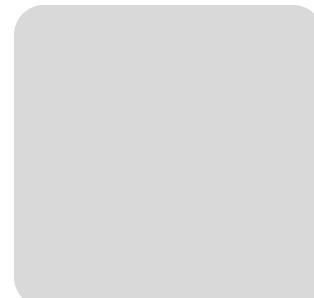

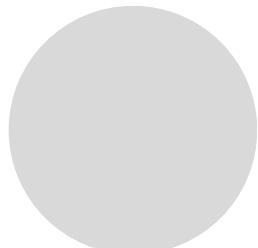

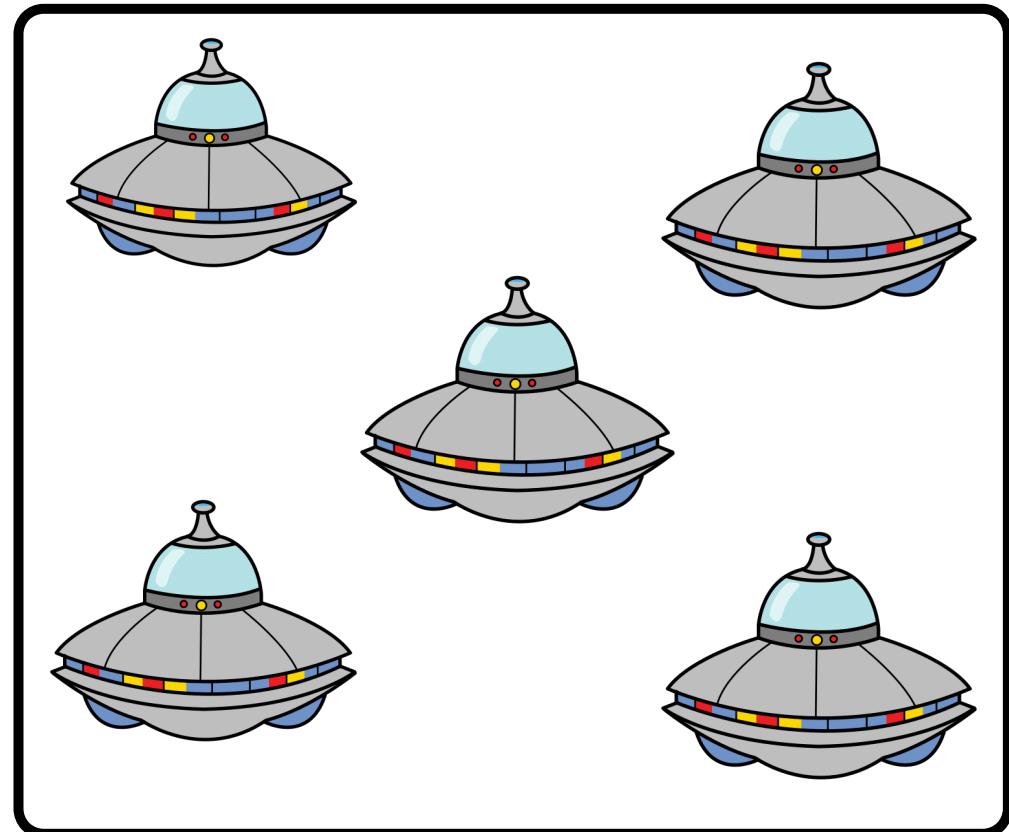

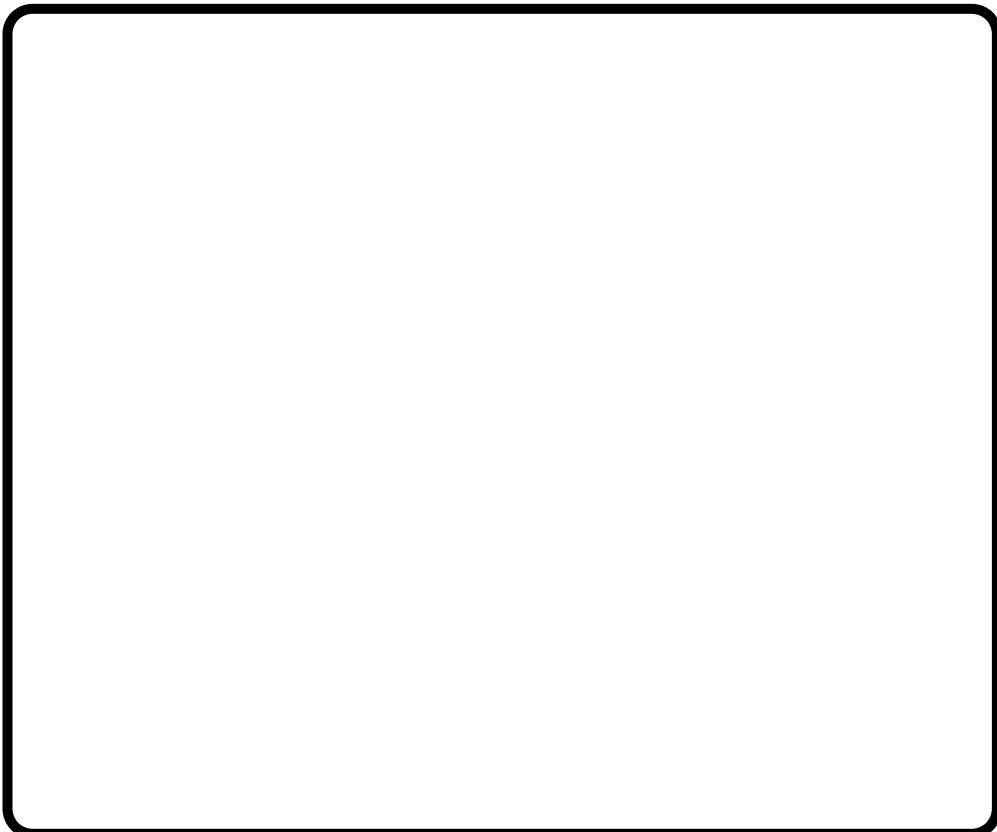

Cuenta cuántos hay y escribe el número correcto.

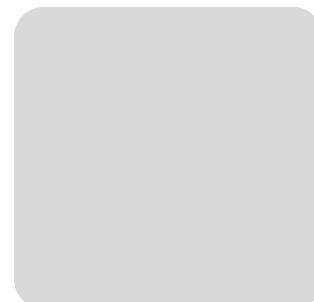

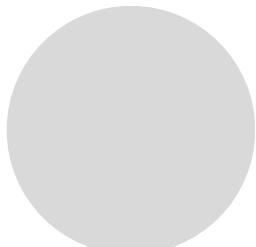

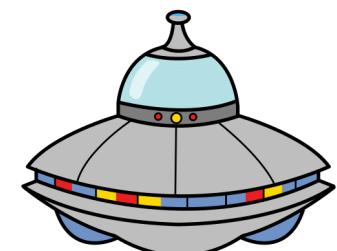

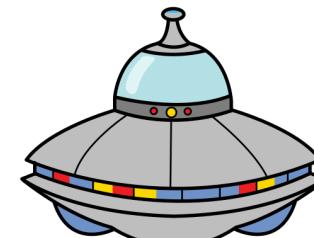

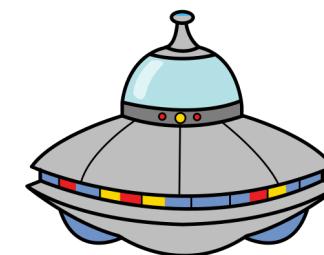

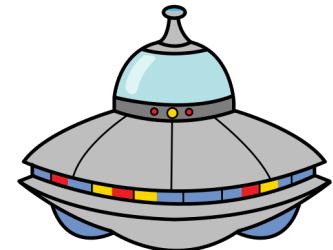

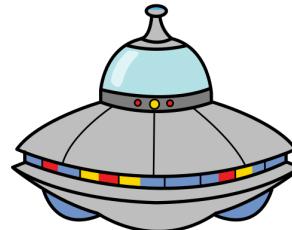

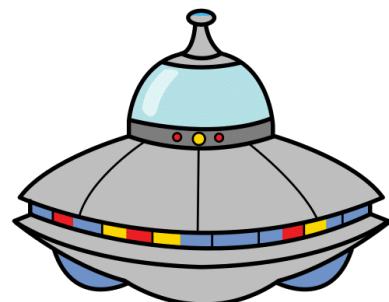

Cuenta cuántos hay, escribe y compara.

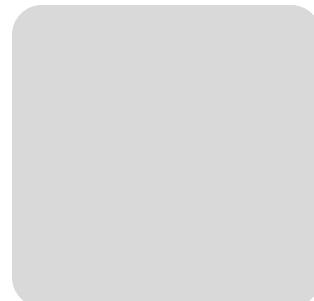

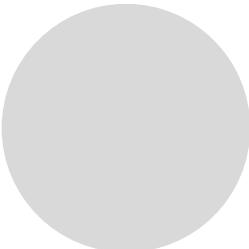

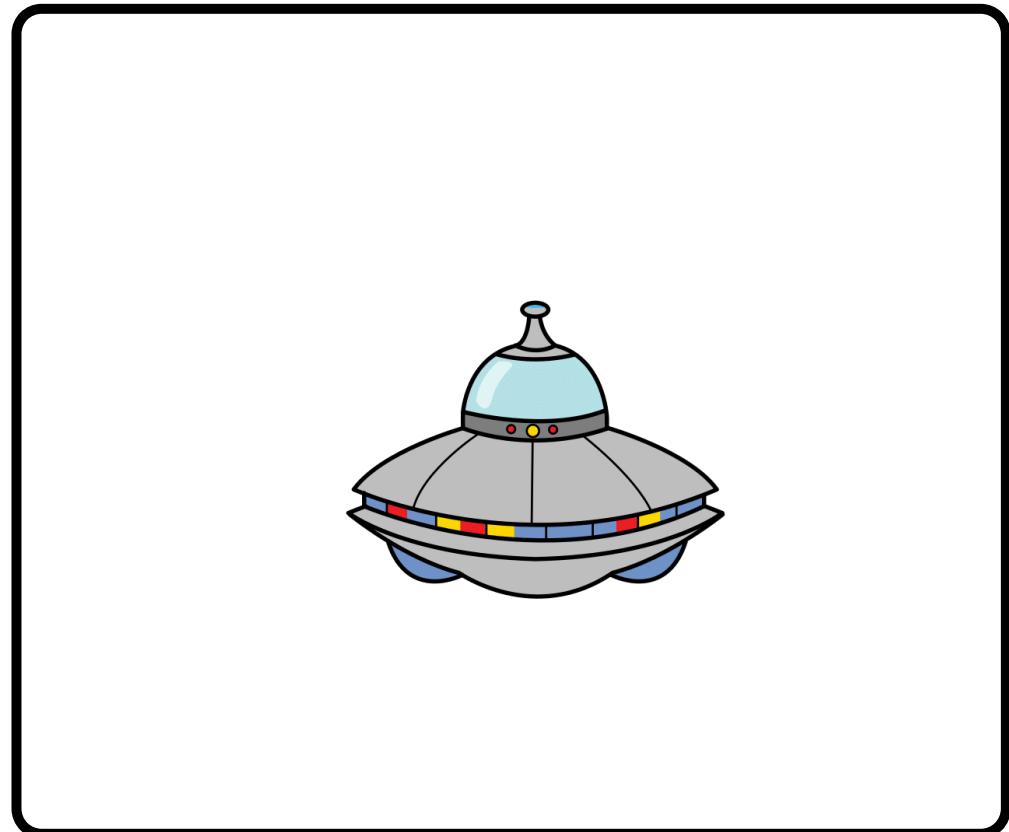

Cuenta cuántos hay, escribe y compara.

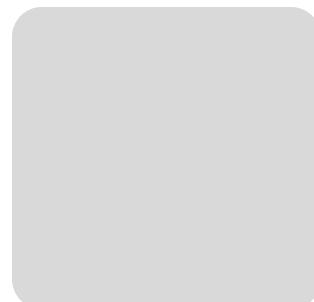

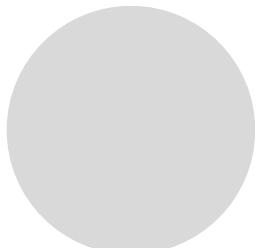

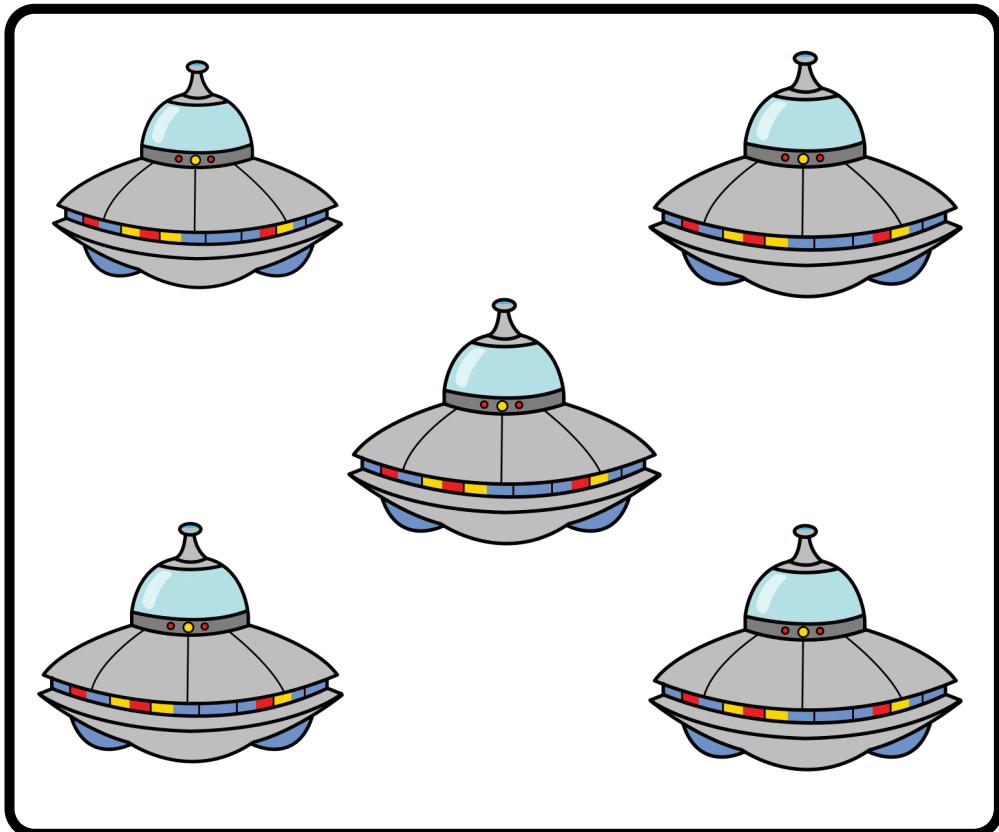

Cuenta cuántos hay, escribe y compara.

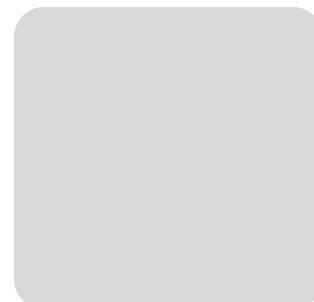

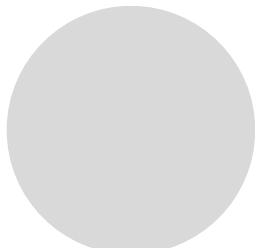

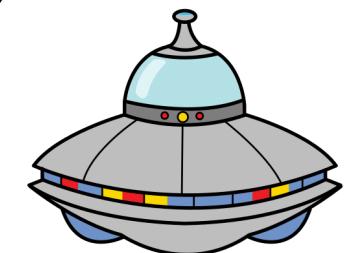

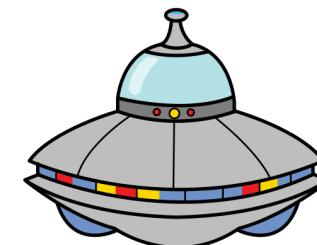

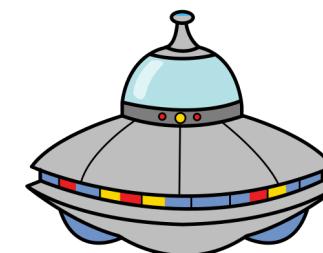

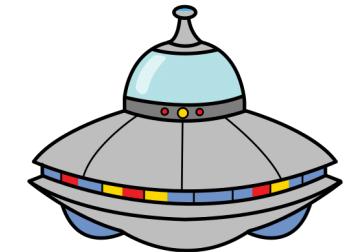

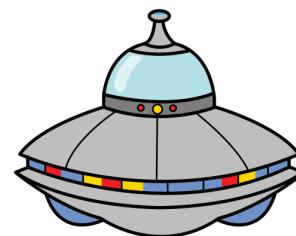

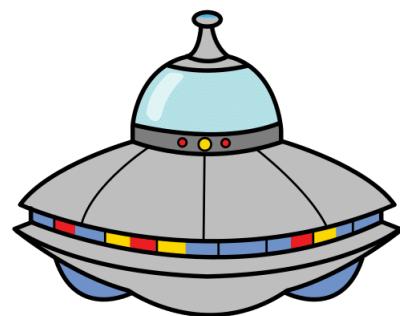

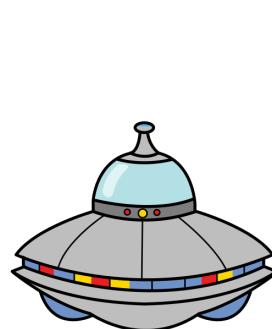

Cuenta cuántos hay, escribe y compara.

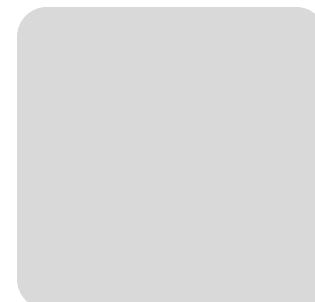

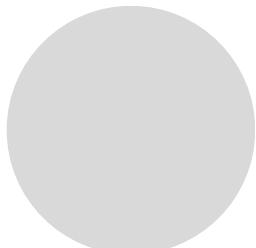

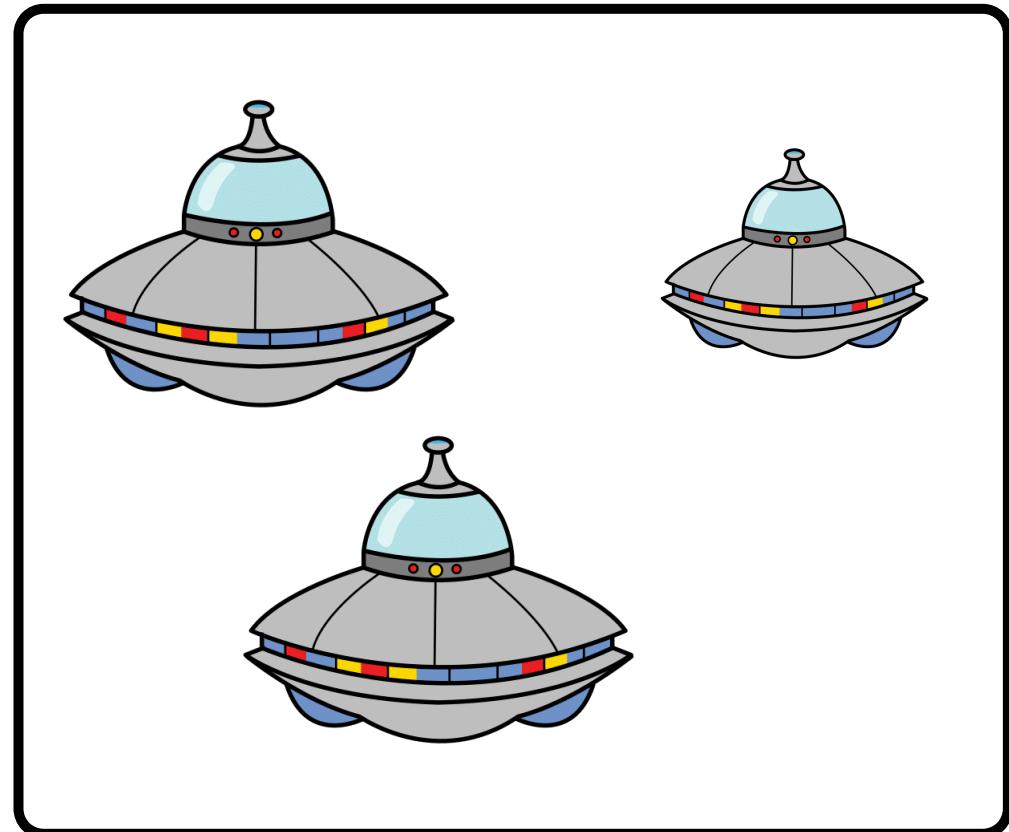

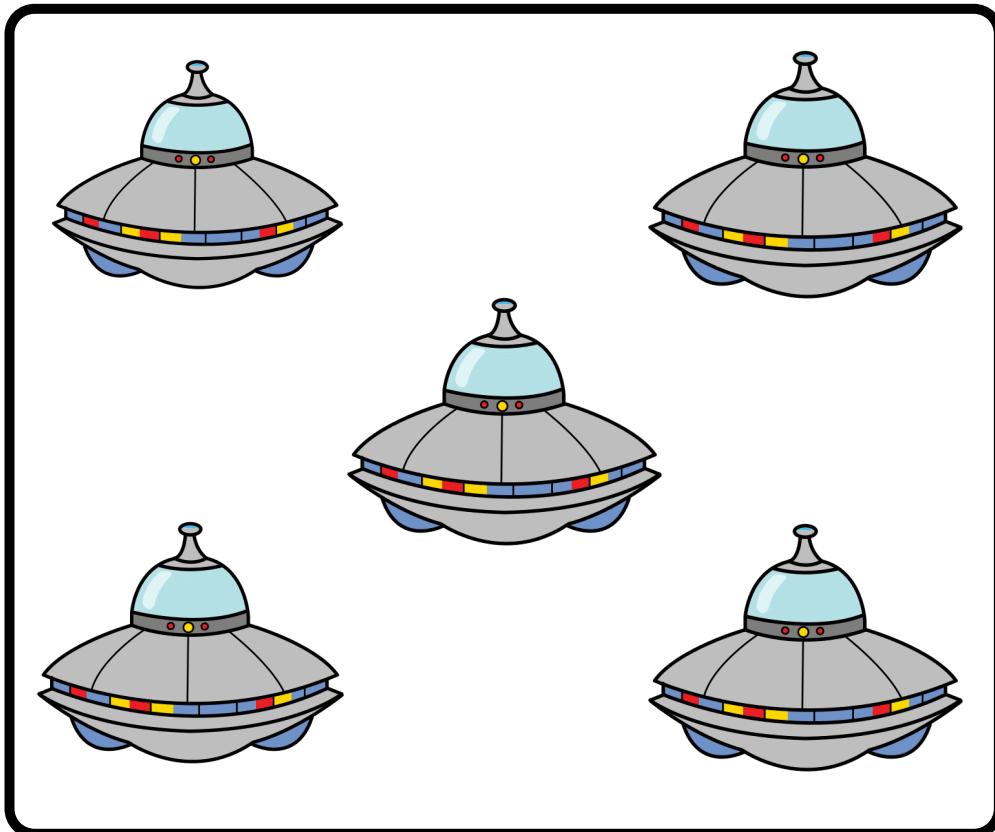

Cuenta cuántos hay, escribe y compara.

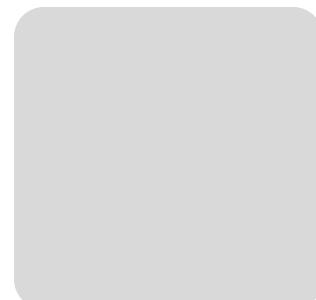

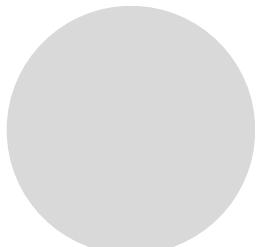

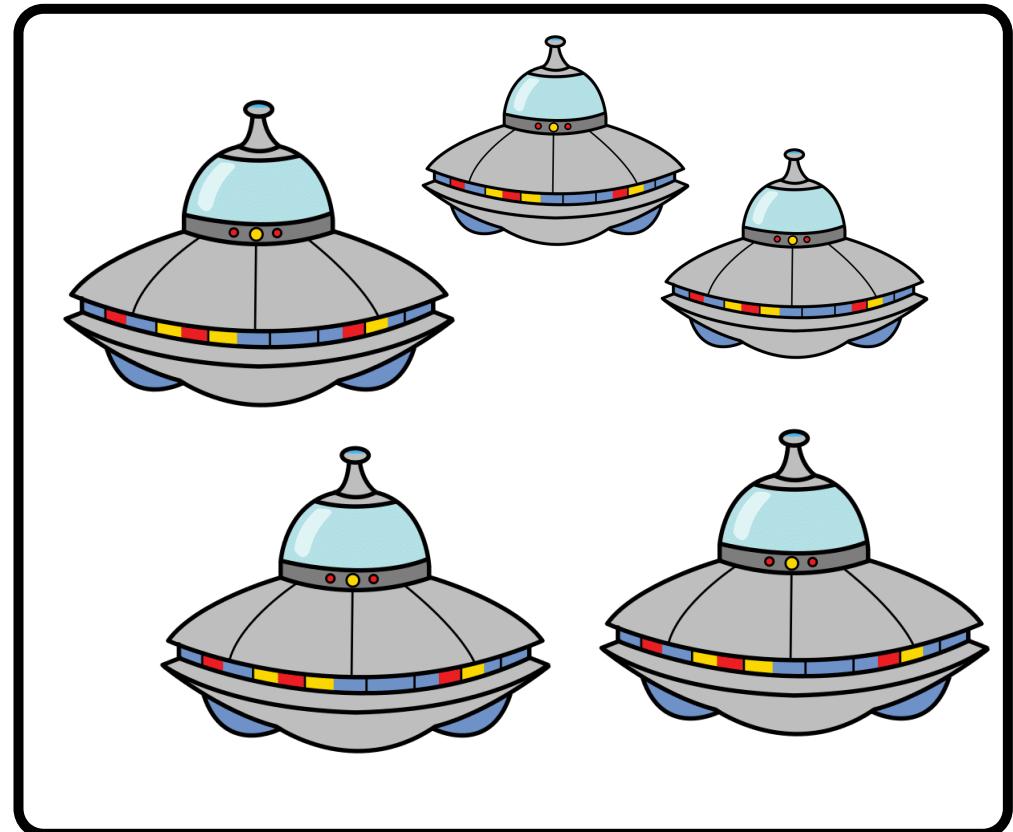

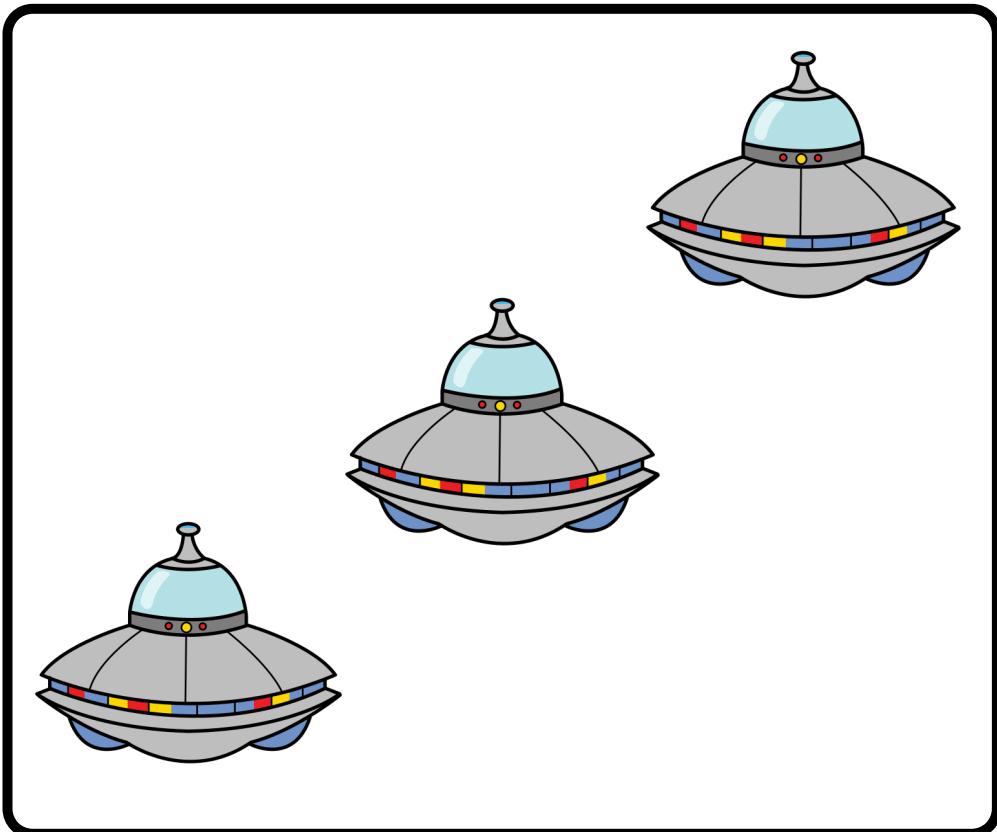

Cuenta cuántos hay, escribe y compara.

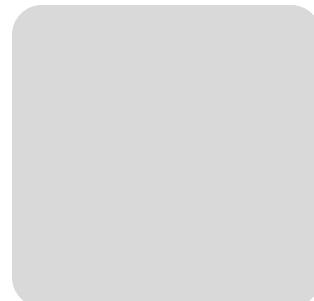

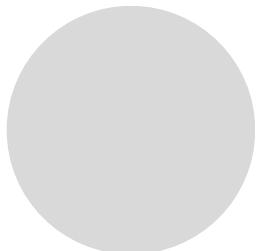

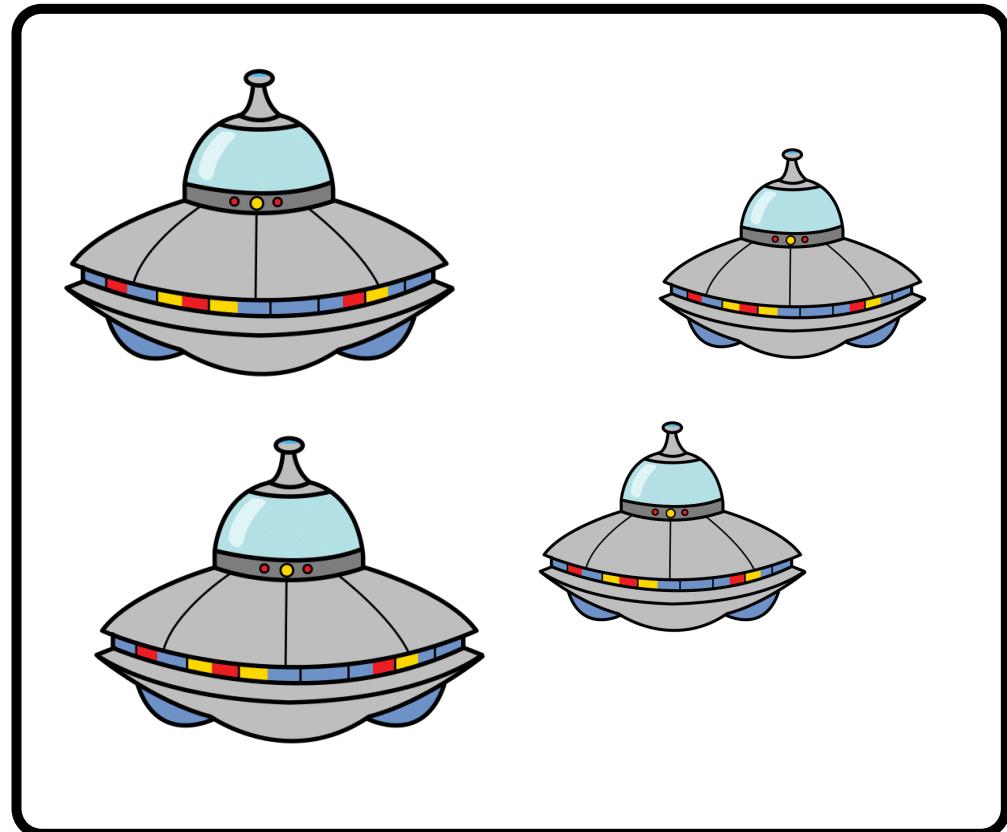

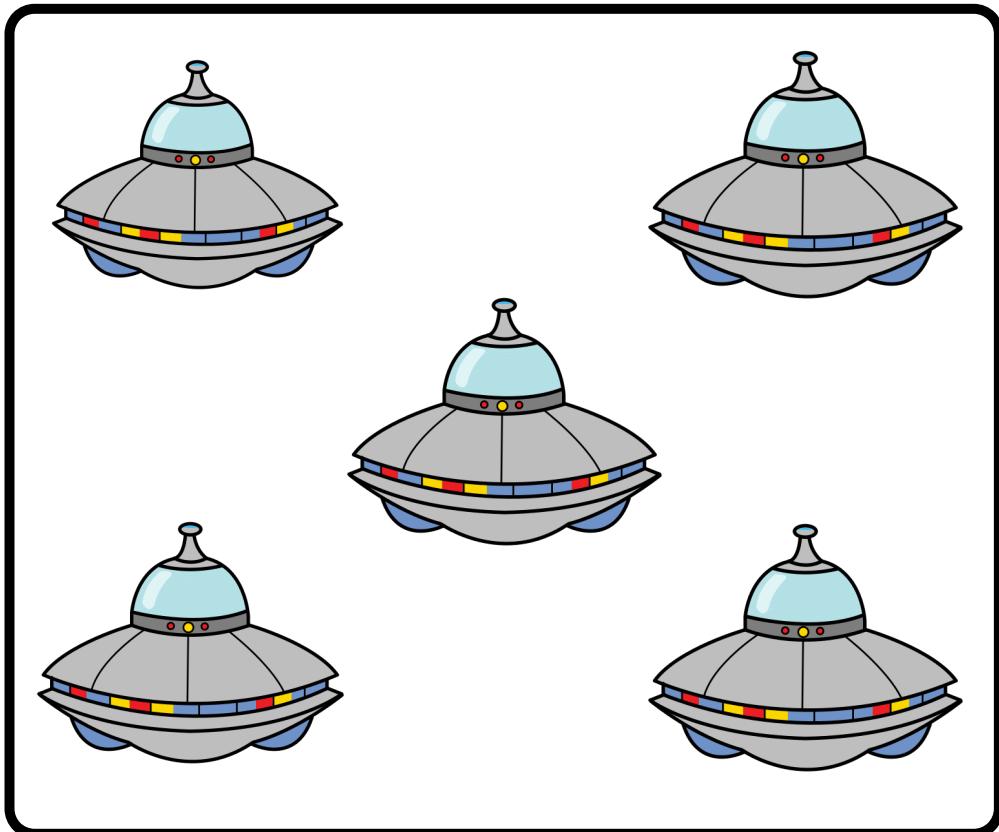

Cuenta cuántos hay, escribe y compara.

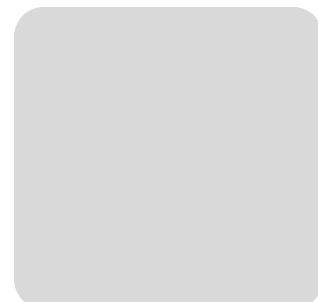

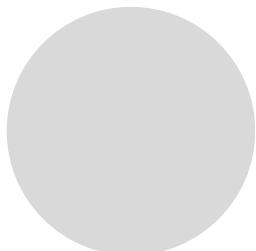

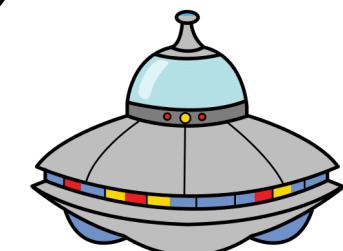

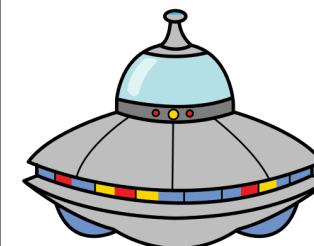

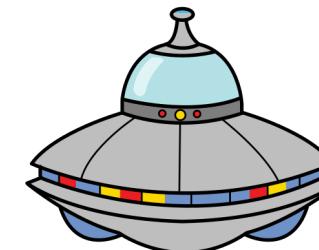

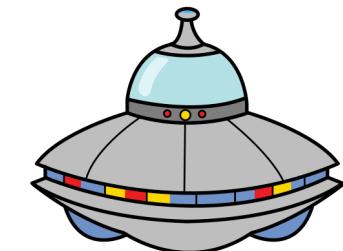

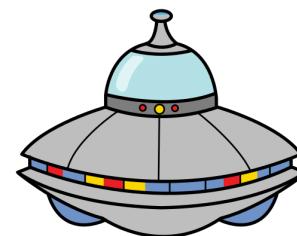

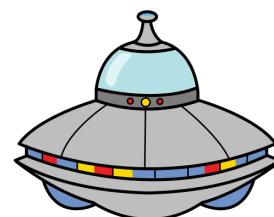

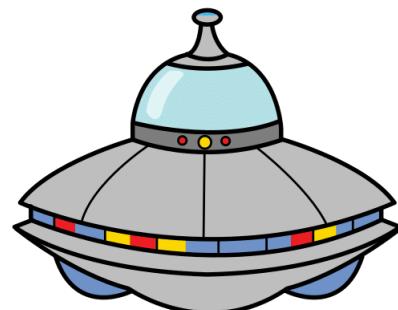

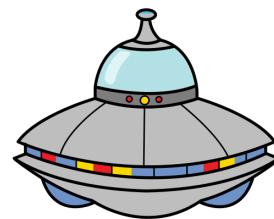

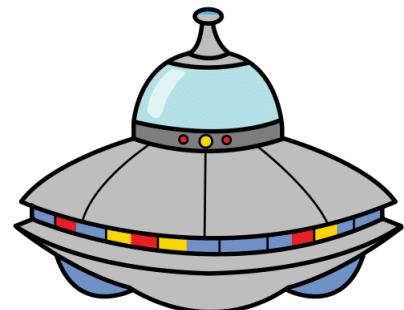

Cuenta cuántos hay, escribe y compara.

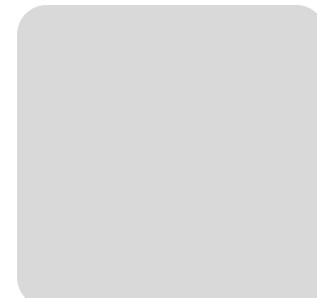

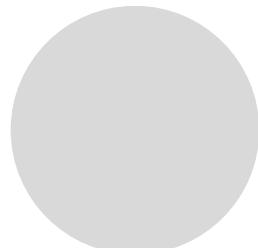

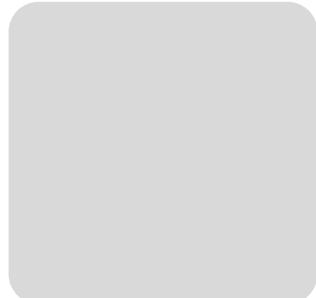

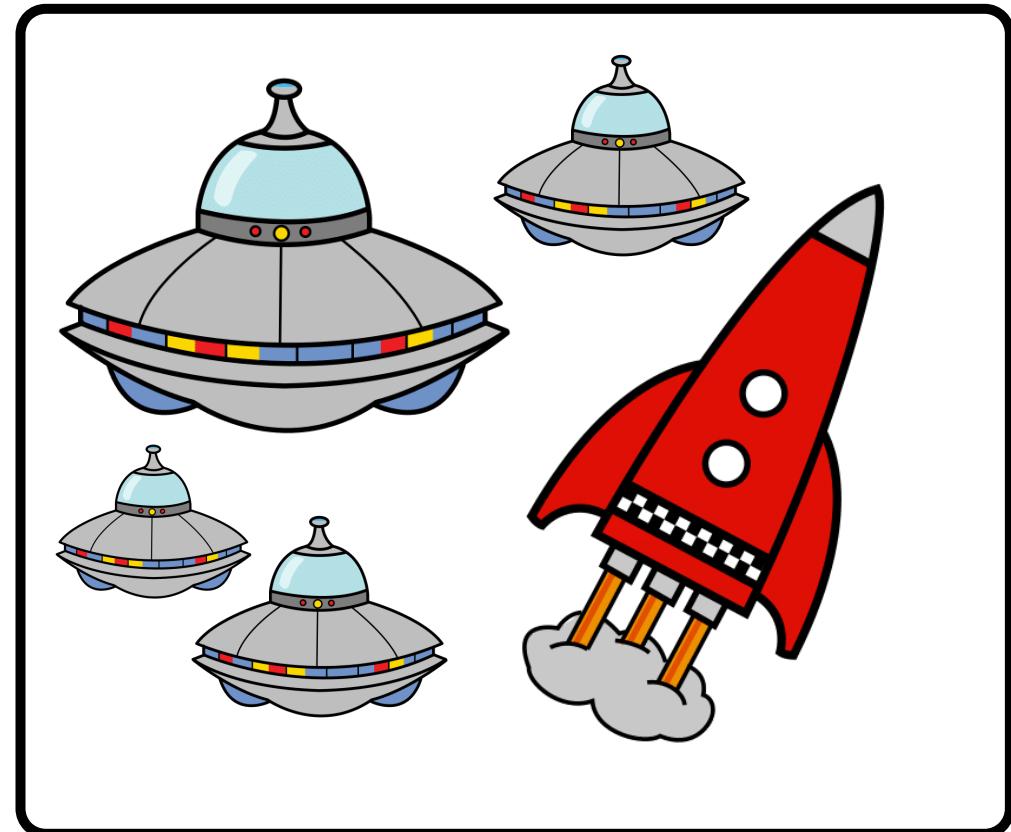

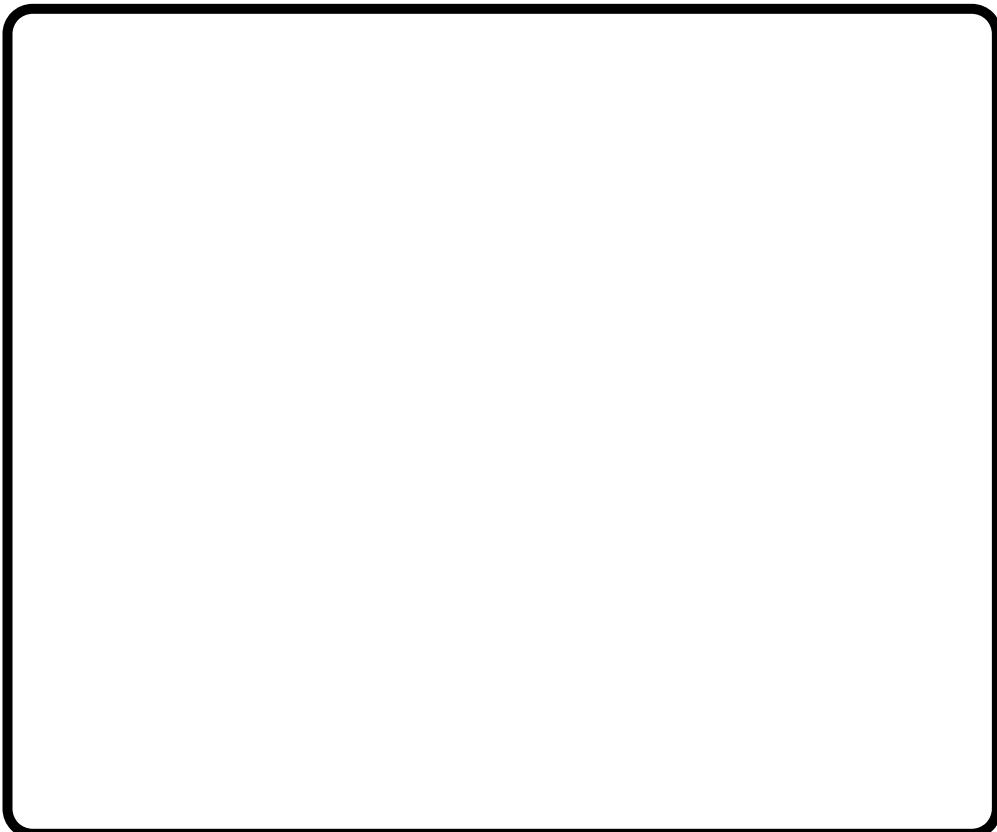

Cuenta cuántos hay, escribe y compara.

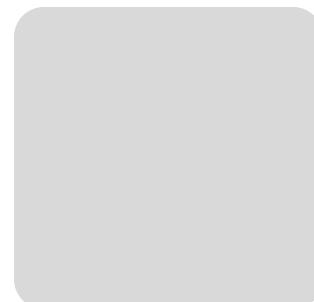

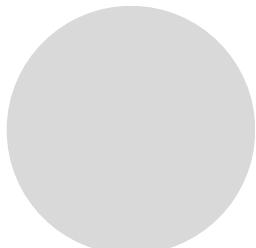

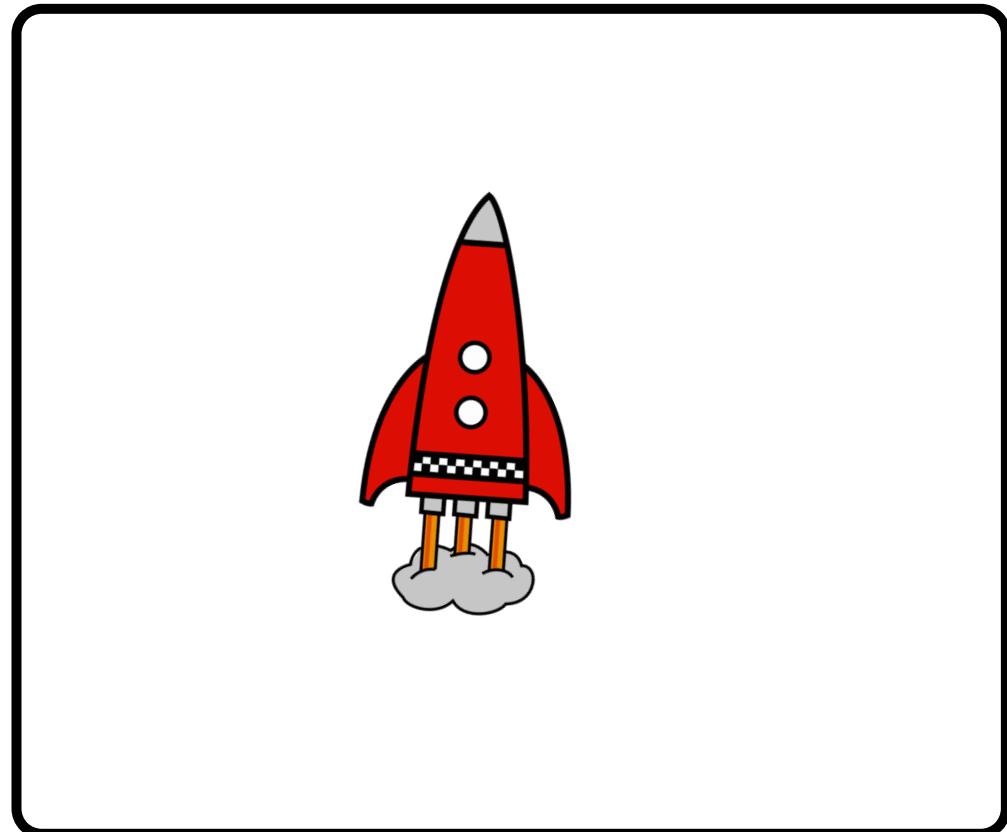

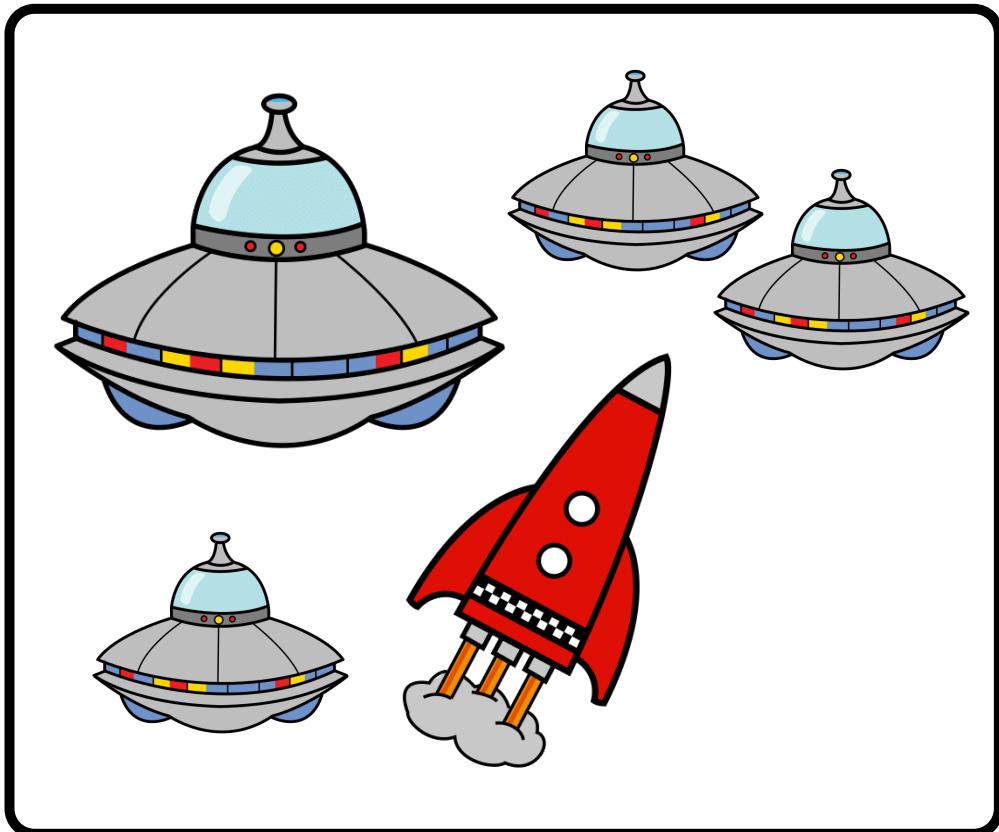

Cuenta cuántos hay, escribe y compara.

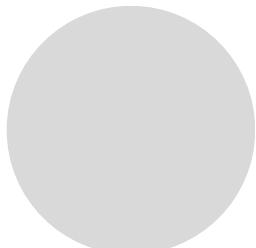

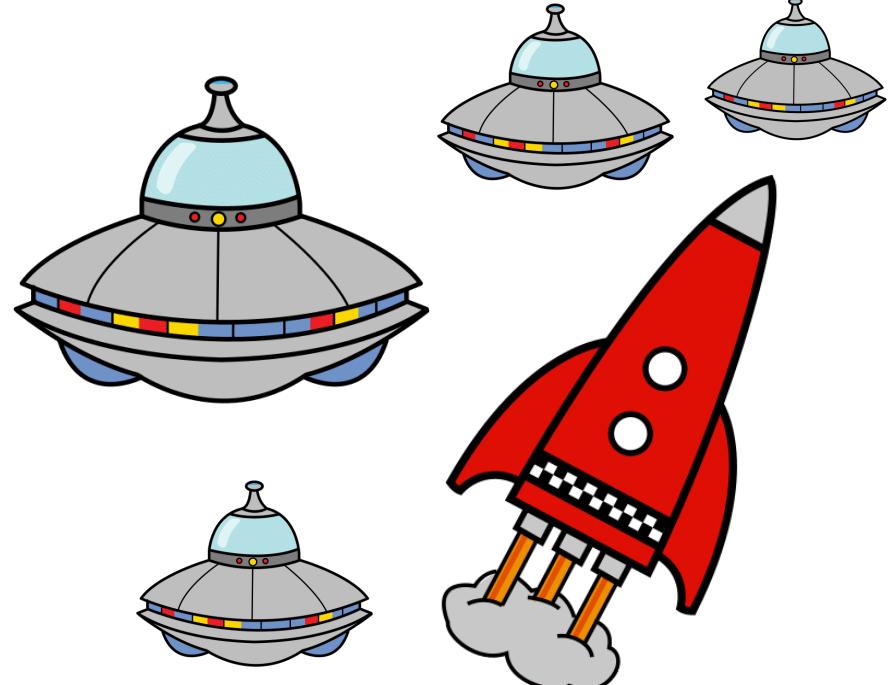

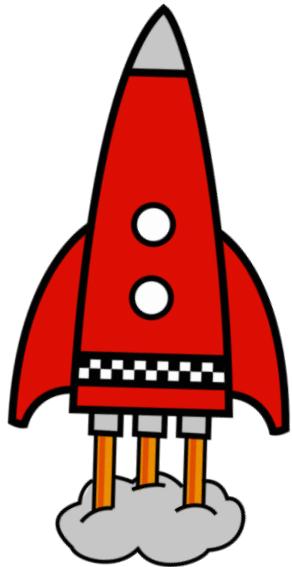

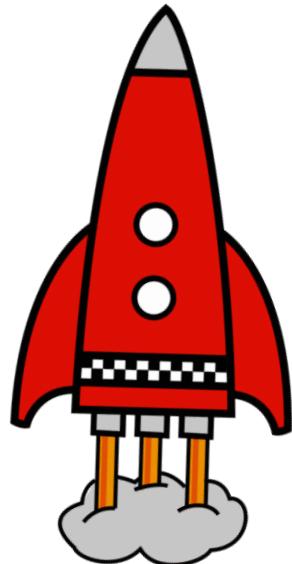

Cuenta cuántos hay, escribe y compara.

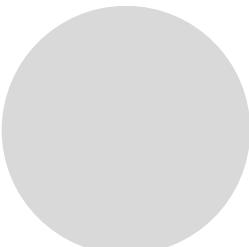

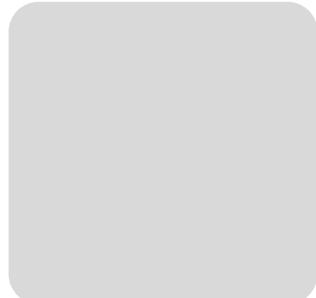

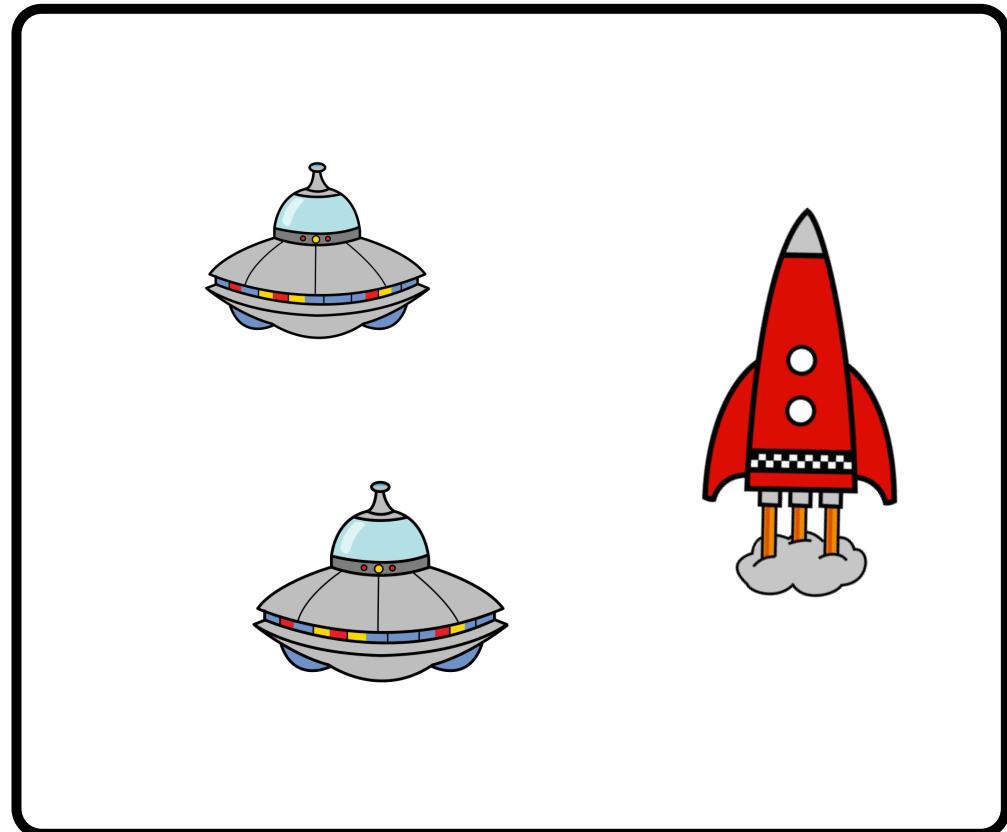

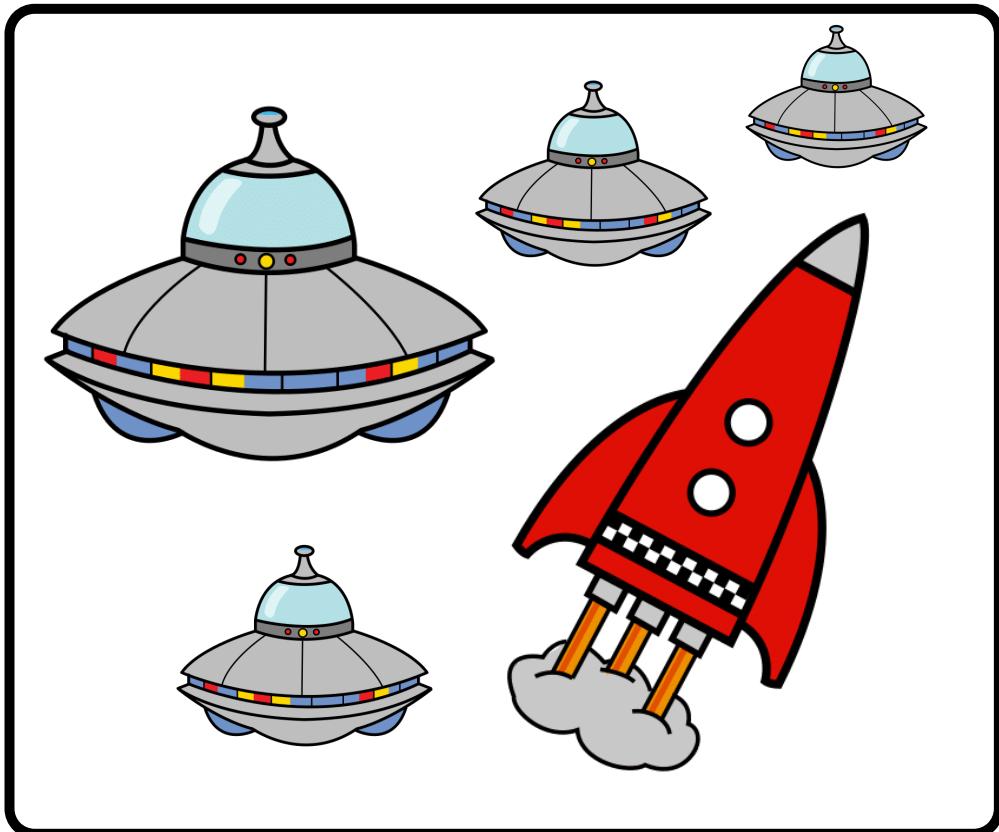

Cuenta cuántos hay, escribe y compara.

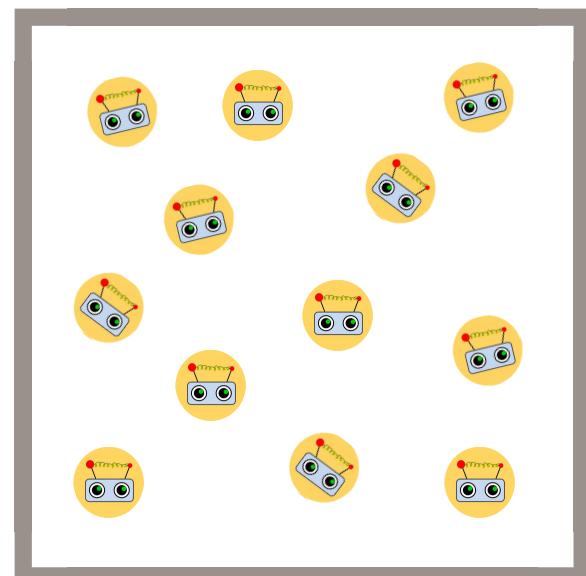

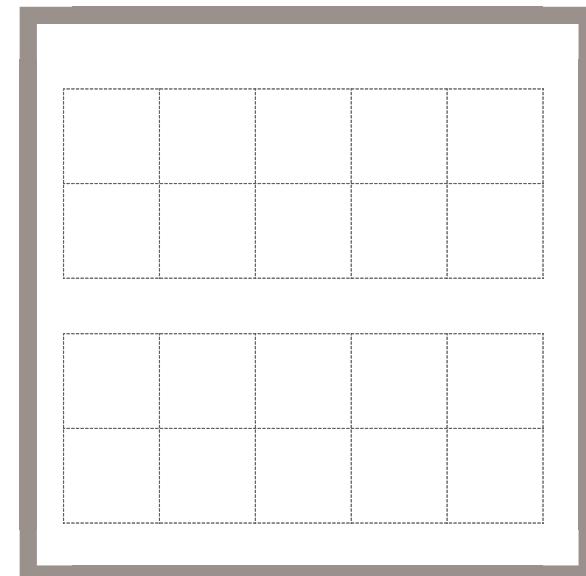

Cuenta cuántos hay, escribe y compara.

Cuenta cuántos hay, escribe y compara.

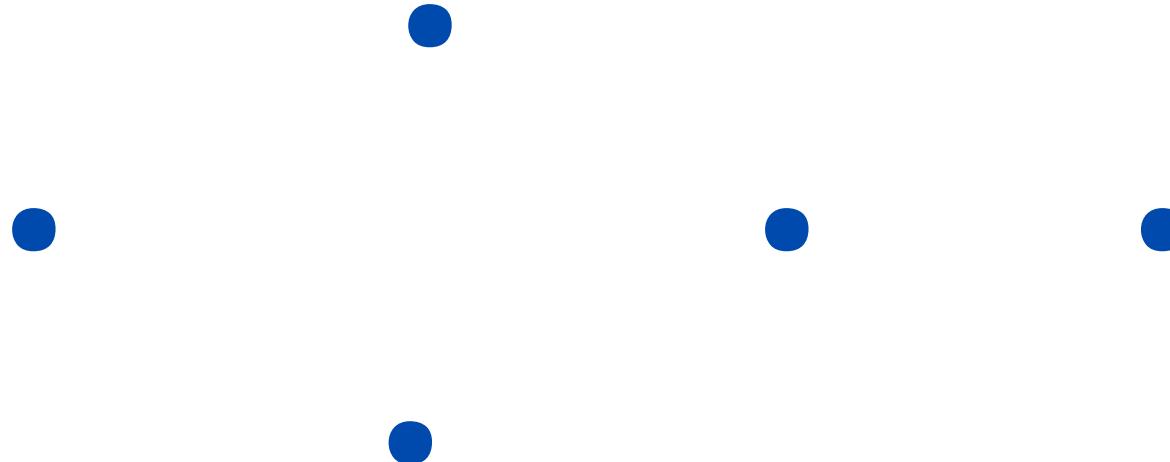

Completa la información sobre el número del día.

Ayuda a Tron a salvar su planeta de los meteoritos.

Pega la pegatina del color correcto, escribe los números y suma.

¿Cuántos has bloqueado?

$$\boxed{} + \boxed{} = \boxed{}$$

Ayuda a Tron a salvar su planeta de los meteoritos.

Pega la pegatina del color correcto, escribe los números y suma.

¿Cuántos has bloqueado?

$$\boxed{} + \boxed{} = \boxed{}$$

Ayuda a Tron a salvar su planeta de los meteoritos.

Pega la pegatina del color correcto, escribe los números y suma.

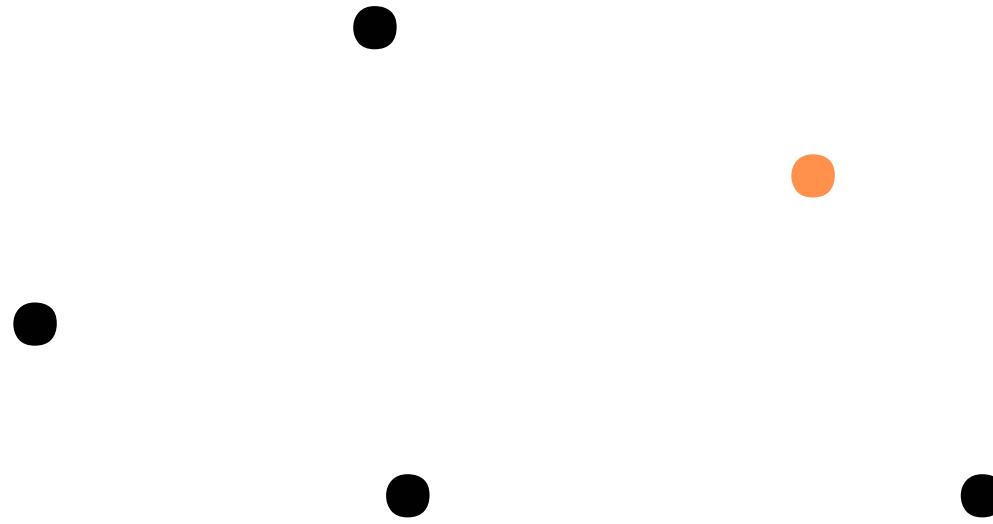

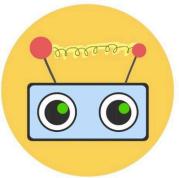

¿Cuántos has bloqueado?

+

=

Ayuda a Tron a salvar su planeta de los meteoritos.

Pega la pegatina del color correcto, escribe los números y suma.

¿Cuántos has bloqueado?

$$\boxed{} + \boxed{} = \boxed{}$$

Ayuda a Tron a salvar su planeta de los meteoritos.

Pega la pegatina del color correcto, escribe los números y suma.

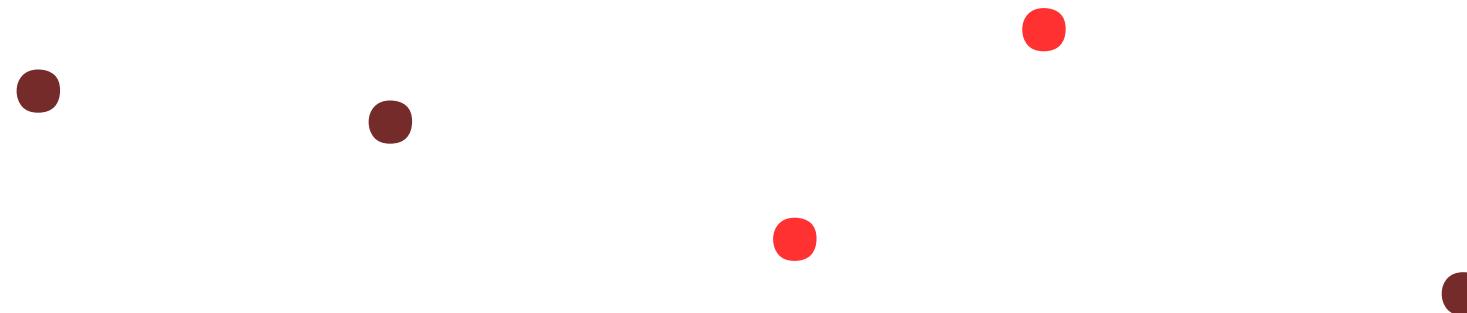

¿Cuántos has bloqueado?

A light gray square with a red border. $+$ A light gray square with a dark brown border. $=$ A light gray square.

Ayuda a Tron a salvar su planeta de los meteoritos.

Pega la pegatina del color correcto, escribe los números y suma.

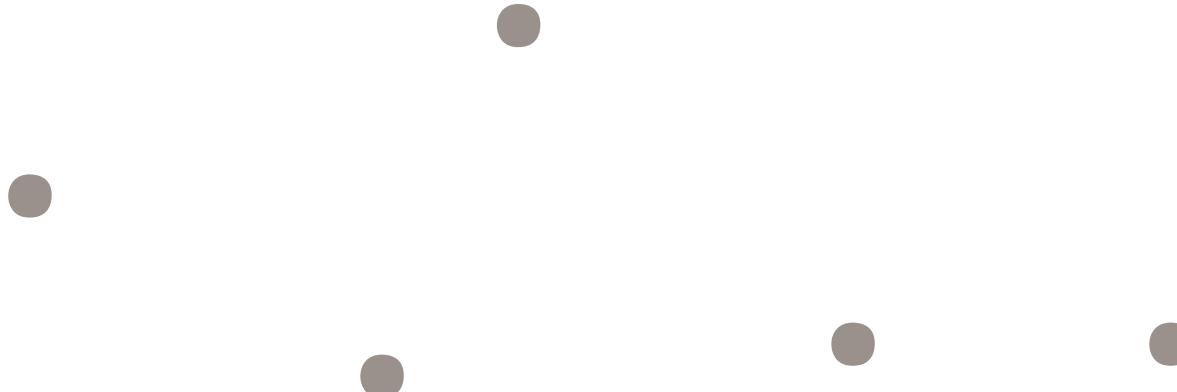

¿Cuántos has bloqueado?

$$\boxed{} + \boxed{} = \boxed{}$$

Ayuda a Tron a salvar su planeta de los meteoritos.

Pega la pegatina del color correcto, escribe los números y suma.

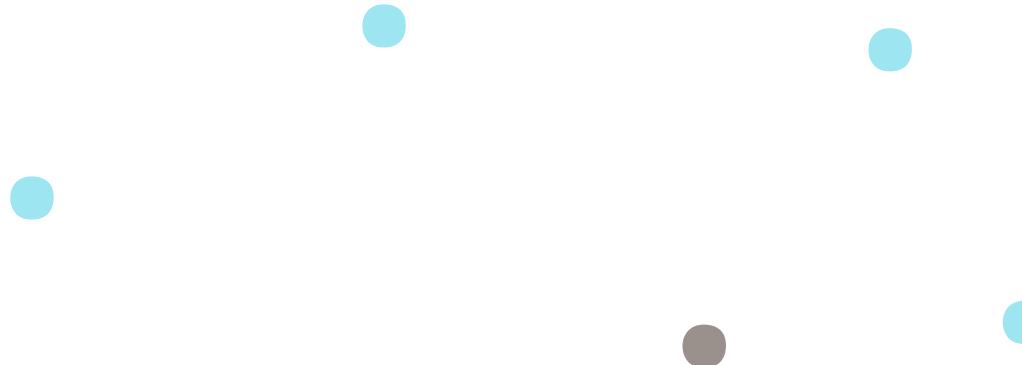

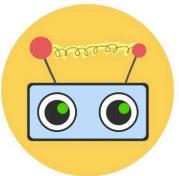

¿Cuántos has bloqueado?

+

=

Ayuda a Tron a salvar su planeta de los meteoritos.

Pega la pegatina del color correcto, escribe los números y suma.

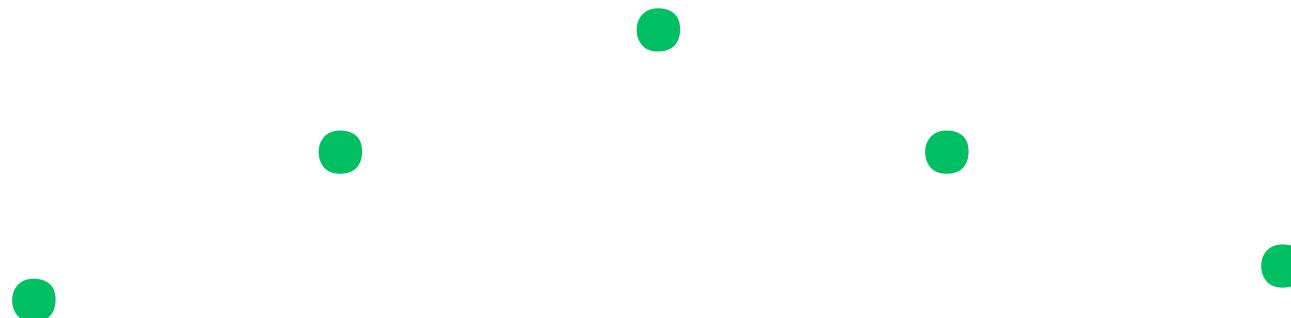

¿Cuántos has bloqueado?

+

=

Ayuda a Tron a salvar su planeta de los meteoritos.

Pega la pegatina del color correcto, escribe los números y suma.

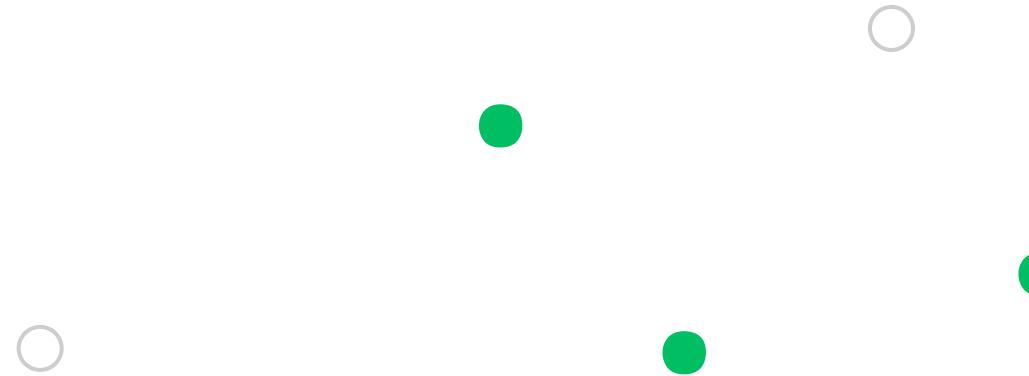

¿Cuántos has bloqueado?

$$\square + \square = \square$$

Ayuda a Tron a salvar su planeta de los meteoritos.

Pega la pegatina del color correcto, escribe los números y suma.

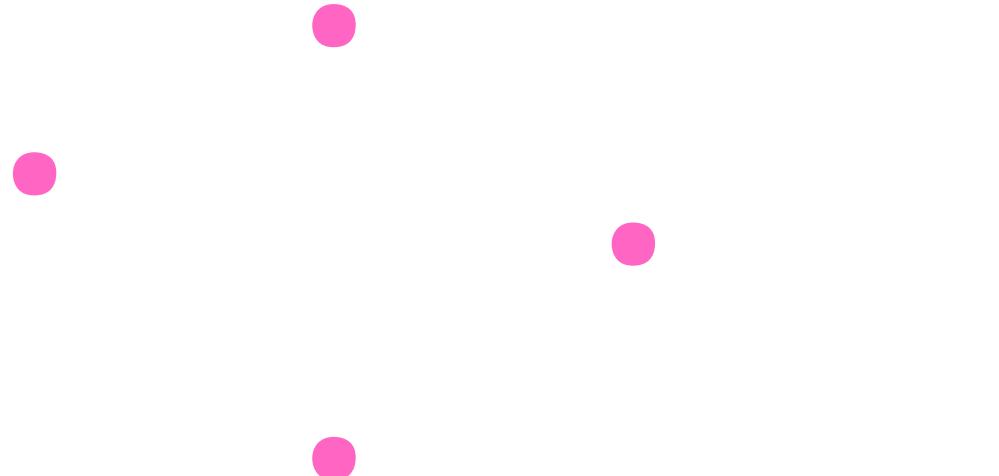

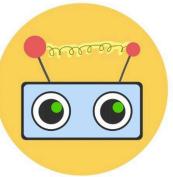

¿Cuántos has bloqueado?

$$\square + \square = \square$$

Ayuda a Tron a salvar su planeta de los meteoritos.

Pega la pegatina del color correcto, escribe los números y suma.

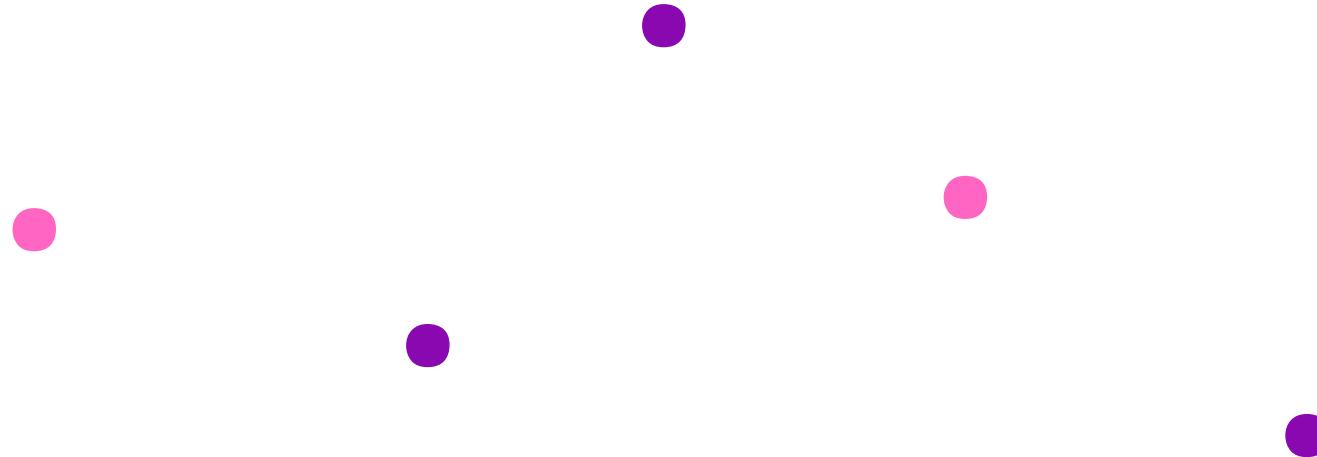

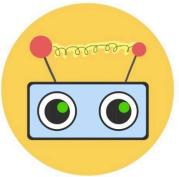

¿Cuántos has bloqueado?

+

=

Ayuda a Tron a salvar su planeta de los meteoritos.

Pega la pegatina del color correcto, escribe los números y suma.

¿Cuántos has bloqueado?

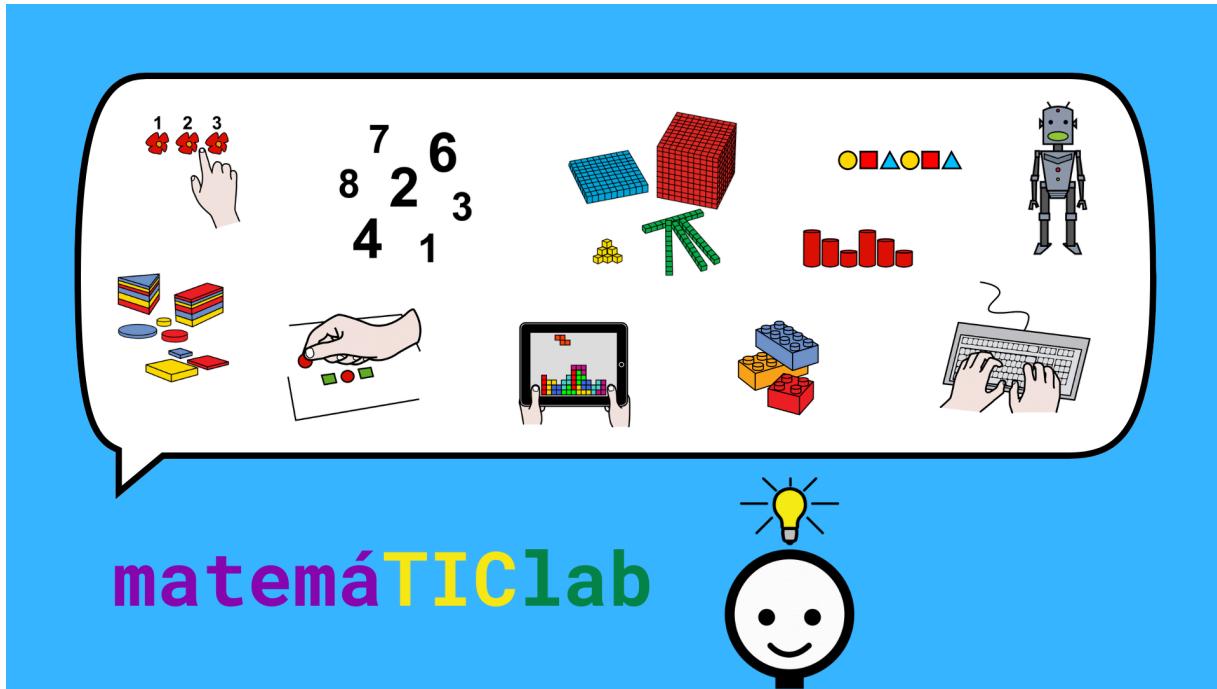

A light blue square frame for writing a number.

+

A purple square frame for writing a number.

=

A light gray square frame for writing a sum.
